- 1.2 **Subject of the Agreement.** The subject of this Agreement is to define the conditions of cooperation and the rights and duties of the Parties while providing Licensed Materials as defined hereunder.
- 1.3 **Licensed Materials.** The materials that are the subject of this Agreement are set forth in Appendix A ("**Licensed Materials**").
- 1.4 **Grant of License.** The Distributor hereby grants to the Licensee a non-exclusive, non-transferable (except the sublicenses authorized by this Agreement), system-wide right to use the Licensed Materials pursuant to this Agreement, limited to the territory of the Czech Republic. The Licensee is entitled to grant the sublicenses authorized by this Agreement to the Participating Institutions in order to provide the Licensed Materials to the Authorized Users (as defined in Section 4.1 below) of the Participating Institutions in accordance with the terms of this Agreement.
- 1.5 **Ownership of Intellectual Property.** Nothing in this Agreement shall be construed, interpreted or understood as transfer of ownership of any copyright, trademarks, service marks or any other intellectual property from the Distributor or its suppliers to the Licensee or Authorized Users.

2. Delivery & Access

- 2.1 The Distributor will provide the Licensed Materials to the Licensee and to the Participating Institutions in the following manner:

All Fees are due and payable by the Licensee by the end of April of the respective calendar year, unless otherwise stipulated in Appendix A.
- 3.2 **Incomplete Payment.** The Licensee may cover the invoice partially if a Participating Institution did not provide its financial contribution in time. In the event of such incomplete payment, the Licensee will notify the Distributor of the intended difference no less than ten (10) days prior to the due date. The

Distributor may suspend the IP addresses of such Participating Institution until the Fee is completely paid. In such case the Licensee is not in delay with the payment.

- 3.3 **Change of number of Participating Institutions listed in Appendix B.** In case any Participating Institution shall lose its status as a Participating Institution or in case any new scientific (or similar) institution shall reveal its intent to become a Participating Institution, the Distributor shall enter into negotiations with the Licensee to amend this Agreement and to correspondingly renegotiate the Fee. Authorized IP Addresses are listed in Appendix C. An updated list will be sent to the Distributor on an annual or as-needed basis without the need to amend this Agreement. The Licensee and Distributor shall cooperate in the implementation of new authentication protocols and procedures (such as Shibboleth) as they are developed during the term of this Agreement.

- (b) Publisher-Administered Authentication. Where the Publisher provides alternative methods of access and authentication beyond the Licensee-administered methods described herein, e.g. by allowing users to establish a personal login from an on-campus IP address (thereby enabling access via username and password when logging in to a website of the Publisher) or device authentication, which affiliates the device or application by use of a token, cookie, or vendor-managed proxy prefix, neither the Licensee nor any Participating Institution will be responsible or liable for claims of breach or validity of such use. Neither the Licensee nor any of the Participating Institutions shall be responsible or liable for the processing of personal data by the Distributor in this matter.

- (m) Text and Data Mining. Authorized Users may use a limited part of only the Licensed Materials published by Wolters Kluwer Health, Inc. to perform and engage in text and/or data mining activities for academic research, scholarship, and other educational purposes and may utilize and share the

If the material breach is not cured within the thirty (30)-day period, the non-breaching Party shall have the right to terminate the Agreement with a written notice. Termination of this Agreement is effective immediately on the date of delivery of such a notice. The obligation of the Parties to also remedy any other breach shall not be affected by this provision.

termination of this Agreement. The means by which the Licensee and/or Participating Institutions shall have access to such Licensed Materials shall be in a manner and form substantially equivalent to the means by which access is provided under this Agreement. If the Publisher's means of access is not available, the Licensee and/or Participating Institutions may provide substantially equivalent access to the Licensed Materials by use of an archival copy or by engaging the services of third-party trusted archives (such as Portico) and/or participating in collaborative archiving endeavors to exercise such perpetual rights.

12.2 **Archival Copy.** The Distributor shall provide or ensure that the Publisher will use commercially reasonable efforts to provide to the Licensee upon request, or the Licensee may create, one (1) copy of the entire set of Licensed Materials to be maintained as an archival copy. The archival copy from the Distributor or the Publisher shall be provided without any DRM in a mutually agreeable medium suitable to the content, and any fees for provision of copies will be on a time and materials basis only.

12.3 In the event the Distributor or the Publisher discontinues or suspends selling or licensing the Licensed Materials, the Licensee, Participating Institutions and Authorized Users may use such archived Licensed Materials under the same terms as defined by this Agreement. If the Licensee has a backup copy of the Licensed Materials as defined in Section 4.3(e), the backup copy may be used as an archival copy.

12.4 **Third-Party Archiving Services.** The Distributor and the Licensee acknowledge, and the Distributor shall ensure that the Publisher will also acknowledge, that either Party may engage the services of third-party trusted archives and/or participate in collaborative archiving endeavors to exercise the Licensee's rights under this section of the Agreement. The Licensee and/or Participating Institutions may perpetually use a third-party trusted system or collaborative archive to access or store the Licensed Materials, so long as the Licensee's and Participating Institutions' use is compliant with the terms of this Agreement.

to the Licensee for the purposes and terms set out in this Agreement, and that the use of the Licensed Materials in accordance with the terms of this Agreement shall not infringe the copyright or other rights of any third party. The Distributor represents and warrants that it is authorized to fulfill any and all of its obligations set out in this Agreement and that its contractual or other relationship with the Publisher allows it to fulfill these obligations.

The Distributor shall also promptly respond to and use reasonable efforts to resolve any complaint regarding accessibility of Licensed Materials and that necessary measures are taken by the Publisher, if necessary.⁵

14. Limitations on Warranties

14.1 Notwithstanding anything else in this Agreement, neither Party shall be liable for any indirect, special, incidental, punitive or consequential damages, including but not limited to loss of data, business interruption, or loss of profits, that arises from the use of the Licensed Materials, or the inability to use the Licensed Materials. In no event shall Distributor, its affiliates or licensors (including but not limited to, the Publisher), or any of its or their respective directors, officers, employees, or agents, be liable to the Licensee, any Participating Institution, any Authorized User or any third party whose claim arises from or is related to this Agreement, under any theory of tort, contract, strict liability, or other legal or equitable theory, for any claims, damages, or costs of any nature in excess of the license fees paid by Licensee to Distributor during the twelve months preceding the earliest event giving rise to such liability. This limitation of liability and the disclaimers set forth in this Section 14.1 are independent of any remedies set forth herein and will survive and apply even if such remedies are found to have failed of their essential purpose.

14.2 Except for the express warranties stated elsewhere in this Agreement, the Licensed Materials, and the platforms and documentation provided by Distributor under this Agreement are furnished by Distributor, its affiliates and licensors (including, but not limited to, the Publisher) and accepted by Licensee, the Participating Institutions and the Authorized Users "as is" and without any warranty whatsoever. Distributor, its affiliates and licensors (including, but not limited to, the Publisher)

⁵ <http://www.w3.org/WAI/guid-tech.html>

make no representation or warranty, and expressly disclaim any liability with respect to the content of any Licensed Materials, including but not limited to errors or omissions contained therein, libel, infringement of rights of publicity, privacy, trademark rights, moral rights, or the disclosure of confidential information. However, in no way is limited the obligation of the Distributor and/or the Publisher stipulated in Articles 7.14-7.16 and Article 15.

14.3 Except for the express warranties stated elsewhere in this Agreement, the Distributor, its affiliates and licensors (including, but not limited to, the Publisher) disclaim any and all other warranties, conditions, or representations (express, implied, oral or written), relating to the Licensed Materials or any part thereof, including, without limitation, any and all implied warranties of accuracy, quality, suitability, system availability, compatibility, title, non-infringement, performance, merchantability, fitness for a particular purpose, or otherwise, irrespective of any course of dealing, custom, or usage of trade. In addition, Licensee acknowledges that access to the platforms and the Licensed Materials may be subject to limitations, delays, latency issues, and other problems inherent in the use of the internet and electronic communications, and that Licensor, its affiliates, and its licensors (including, but not limited to, the Publisher) are not responsible for any delays, delivery failures or other damage resulting from such problems provided that any such limitations, delays, latency issues, or other problems were not directly caused by the Publisher. However, in no case is limited the obligations of the Licensor and/or the Distributor stipulated in Article 7.11, Article 7.12, Article 7.26 and Article 13.3. No Licensor employee or agent is authorized to make any statement that adds to or amends the warranties or limitations contained in this Agreement.

14.4 The Licensed Materials are no substitute for individual patient assessment based upon the Licensee's or each Participating Institution's healthcare professionals' examination of each patient. While certain Licensed Materials may describe various basic principles of diagnosis and therapy, such Licensed Materials should be used as general medical reference materials to assist the healthcare professional in reaching diagnostic and treatment decisions. The Licensee, each Participating Institution and their respective healthcare professionals (including, without limitation, Authorized Users) should exercise their own independent professional and clinical judgment, taking into account information about particular individual patients that cannot be ascertained or taken into account as a part of necessarily generic or summary Licensed Materials. Given continuous, rapid advances and changes in medical science and health information, the Licensee, each Participating Institution and their respective healthcare professionals (including, without limitation, Authorized Users) should consult a variety of sources when prescribing medication, including the manufacturer's "package insert". The absence of a warning for a given drug or drug combination should not be construed to indicate that the drug or drug combination is safe, appropriate or effective in any given patient. The Licensee, and each Participating Institution acknowledges that the professional duty to the patient in providing healthcare services lies solely with the healthcare professional providing patient care services. The Licensee, each Participating Institution and their respective healthcare professionals

(including, without limitation, Authorized Users) are solely responsible for the use of any Licensed Materials, and the Licensee's and each Participating Institution's healthcare professionals (including, without limitation, Authorized Users) are responsible for independently reaching any medical judgment. To the maximum extent permitted under applicable law, no responsibility is assumed by the Distributor, its affiliates or licensors (including, but not limited to, the Publisher) for any injury and/or damage to persons or property, as a matter of products liability, negligence law or otherwise, or from any reference to or use by Licensee, any Participating Institution (or any of their respective healthcare professionals) of any of the Licensed Materials.

15. Indemnities

15.1 The Distributor shall indemnify and hold harmless the Licensee, the Participating Institutions and Authorized Users from and against any and all liabilities, losses, claims, damages, awards, penalties, or injuries incurred, including reasonable attorney's fees, that arise from actual or alleged infringement of any third-party intellectual property rights regarding the use of the Licensed Materials by the Licensee or any Participating Institution or any Authorized User. NO LIMITATION OF LIABILITY SET FORTH ELSEWHERE IN THIS AGREEMENT IS APPLICABLE TO THIS INDEMNIFICATION. This Section shall survive the termination of this Agreement.

16. Assignment and Transfer

16.1 The Licensee shall not assign this Agreement nor delegate any of its duties, in whole or in part, without the prior express written consent of the Distributor. In no event shall the Distributor's consent be construed as discharging or releasing the Licensee in any way from the performance of its obligations under this Agreement. The Distributor may assign this Agreement to any affiliate or successor of the Distributor and may delegate its duties, in whole or in part, in each case with prior consent of the Licensee. An assignee of either Party authorized hereunder shall be bound by the terms of this Agreement and shall have all of the rights and obligations of the assigning Party set forth in this Agreement. If any assignee refuses to be bound by all of the terms and obligations of this Agreement or if any assignment is made in breach of the terms of this Agreement, then such assignment shall be null and void and of no force or effect. Neither Party may unreasonably withhold or delay such written consent.

17. Governing Law

17.1 This Agreement and all matters arising from or in connection hereto shall be interpreted and construed according to, and governed by, the laws of the Czech Republic, in particular by Act No. 89/2012 Coll., the Civil Code, as amended.

18. Dispute Resolution & Venue

- 18.1 In the event of any dispute or controversy arising out of or relating to this Agreement, the Parties agree to exercise good faith to resolve the dispute amicably and as soon as possible. In the event that the Parties fail to settle the dispute amicably within thirty (30) days, they shall submit the dispute to informal mediation, as further described below in this paragraph. The Parties shall continue to perform their respective obligations under this Agreement which are not subject to or affected by the dispute. The Party invoking mediation shall inform the other Party with a written notice of its decision to seek informal mediation, and the notice must include a description of the subject to the dispute and a proposed resolution thereof. Designated representatives of both Parties shall attempt to resolve the dispute within five (5) working days starting from the day after the delivery of such notice to the other Party. If the designated representatives cannot resolve the dispute, the Parties shall meet at a mutually agreed location and discuss the dispute and their respective proposals for resolution to responsible executives of the Parties, who shall act in good faith to resolve the dispute.
- 18.2 If the dispute is not resolved within thirty (30) days of the meeting among the Parties' executives, either Party may pursue legal action in court. The exclusive jurisdiction and venue for any and all actions arising out of or brought under the Agreement is in a state court of competent jurisdiction, situated in Prague, Czech Republic. During such court action, the Parties shall continue to perform their respective obligations under this Agreement which are not subject to or affected by the dispute.

19. Force Majeure

- 19.1 Except for the Licensee's payment obligations and the obligations of the Distributor to refund pursuant to Article 11.4, neither Party shall be liable for any damage or, other than as set forth below, have the right to terminate this Agreement for any delay or default in performing its duties hereunder if such delay or default is caused by conditions beyond its control including but not limited to acts of God, government restrictions (including the denial or cancellation of any export or other necessary license), wars, acts of terrorism, insurrections, labor strikes or other work stoppages, and/or any other cause beyond the reasonable control of the Party whose performance is affected. Upon the occurrence of such event of force majeure, the Party affected shall promptly notify the other Party in writing setting forth the details of the occurrence of the force majeure event, its expected duration and how that Party's performance may be affected. The affected Party shall resume the performance of its duties as soon as practicable after the force majeure event ceases. In the event the conditions causing a force majeure event continue for a period of 30 days or longer, then either Party may terminate this Agreement upon 3 days written notice to the other Party.

20. Entire Agreement

20.1 This Agreement constitutes the entire agreement of the Parties and supersedes any and all prior communications, understandings, and agreements relating to the subject matter hereof, whether oral or written. For the avoidance of doubt, additional terms and conditions as defined in Section 7.6 shall not modify the terms of this Agreement.

21. Amendment

21.1 No modification or claimed waiver of any provision of this Agreement shall be valid except by written amendment signed by authorized representatives of the Parties.

21.2 The Licensee, in compliance with Section 100(1) of Act no. 134/2016 Sb. on public procurement, as amended, reserves the right to change the commitment under this Agreement, which entails a change in the number of licenses, i.e. an increase in the number of licenses, for the purpose of accommodating additional Potential Participating Institutions as the authorizing contracting authorities with whom the Licensee has entered into a central procurement agreement and a list of which is attached as Appendix B. This reservation will be effected, as the case may be, by means of an amendment to this Agreement based on the interest of Potential Participating Institutions mentioned in the preceding sentence to receive performance under this Agreement. The Parties may include the price for the licenses for the Potential Participating Institutions in Annex B. The price for the licenses for the Potential Participating Institutions is determined in the Appendix B.

22. Severability

22.1 If any provision or provisions of this Agreement shall be held to be invalid, illegal, unenforceable or in conflict with the law, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby. The Parties shall replace the invalid, illegal or unenforceable provision with a new provision to achieve the same or, if not possible, the closest possible effect to that of the original invalid, illegal or unenforceable provision and this Agreement as a whole.

23. Waiver of Contractual Right

23.1 Waiver of any right, power or remedy herein shall not be deemed a waiver of any other right, power or remedy herein, nor shall waiver of any right, power or remedy regarding a breach of this Agreement be construed as a continuing waiver of any right, power or remedy regarding other breaches of the same or other provisions of this Agreement.

24. Notices

24.1 All notifications, invitations, information, legal acts and other communications ("**Notices**") made in the matters of and under this Agreement must be made in writing, the written form being retained if Notices are delivered by e-mail or fax.

Notices delivered personally or by courier service shall be deemed received at the time of receipt or refusal of their receipt. Notices served by registered mail will be deemed delivered on the fifth (5th) business day following their proven posting.

25.1 The Distributor acknowledges that the Licensee can be audited by a respective authority and that the conditions regulating the financing of the Licensee require that the Licensee ensure the necessary cooperation of the Distributor or the Publisher in order to conduct a proper audit of the Licensee. For this purpose, the Distributor is obliged to provide, as well as ensure that the Publisher will also provide, all the reasonably necessary cooperation, information, declaration and documents concerning the Licensee to any auditing/controlling body authorized to carry out an audit of the Licensee in compliance with the rules and regulations of the Czech Republic and mandatory rules of the European Union regarding financial

control, especially regarding the grants. The Distributor shall also cooperate, as well as ensure that the Publisher will also reasonably cooperate, with persons authorized to execute the audit of the Licensee by such auditing bodies. 25.2 Failure to provide cooperation as described in Section 25.1 causing that an effective audit could not be realized shall be deemed a material breach of this Agreement, and the Licensee may seek to terminate this Agreement for breach pursuant to Section 11. The Distributor is obliged to fully compensate any damage that should arise as a result of failure to perform the duty to cooperate described in Section 25.1. Duties described in Section 25 shall survive the termination of this Agreement.
