Dear Mr. Svoboda:

CAS is pleased to provide National Library of Technology with an offer to convert CzechELib Consortium Members Veterinarni A Farmaceuticka University and Institute of Inorganic Chemistry to SciFinder Academic Unlimited Access Plan with CAS Analytical Methods (the "Product").

CAS proposes to provide Veterinarni A Farmaceuticka University and Institute of Inorganic Chemistry Product access beginning August 1, 2021 through the end of your current Term (December 31, 2022).

This letter will serve as an Amendment to Standard License Agreement signed on February 7, 2019 between CAS and National Library of Technology. National Library of Technology is responsible for all applicable taxes or withholdings.

The terms of this letter are confidential between Customer and CAS. To accept, please sign below and return this letter to [REDACTED] by July 30, 2021. Should you have any questions, please contact Daniel Schotte at [REDACTED].

Sincerely,

[REDACTED]
