## **SECTION 2. ELSEVIER PERFORMANCE OBLIGATIONS.**

#### 2.1 *Access to Subscribed Products.*

Elsevier will make the Subscribed Products accessible to the Subscriber and its Authorized Users from the internet address set forth on Schedule 1 or as may be otherwise set forth herein.

Elsevier will use reasonable efforts to provide the Subscribed Products with a quality of service consistent with industry standards, specifically, to provide continuous service with an average of 98% up-time per

month, with the 2% down-time including scheduled maintenance and repairs performed at a time to minimize inconvenience to the Subscriber and its Authorized Users, and to restore service as soon as possible in the event of an interruption or suspension of service. If, due to causes within its reasonable control, Elsevier is unable to provide the Subscriber with access to the service for a period exceeding twenty-four (24) consecutive hours, then Elsevier shall refund to the Subscriber the amount of the Fees calculated by dividing the number of days (or 24 hours periods) of downtime by 365 and multiplied by the amount of the Fees for the then current year. The remedy provided herein is in addition to and not exclusive of any other rights and remedies that the Subscriber may have under this Agreement and at law or in equity.

### 2.3 *Withdrawal of Content.*

Elsevier reserves the right to withdraw from the Subscribed Products content that it no longer retains the right to provide or that it has reasonable grounds to believe is unlawful, harmful, false or infringing. If the withdrawal represents more than ten (10%) percent of the content comprising the Subscribed Products, Elsevier shall refund to the Subscriber the amount of the Fees that is proportional to the amount of content withdrawn and the remaining unexpired portion of the period for which the Fees were paid.

### 2.4 *Usage Data Reports.*

Elsevier will make usage data reports on the usage activity of each Institution accessible online to such Institution on a monthly basis to the librarians/administrators employed by the Subscriber for internal use only. Such reports may be accessed by vendors or other third parties only with the express written permission of Elsevier and for the purpose of usage analysis of the Subscriber. Elsevier will make all reasonable efforts to comply with the then currently valid COUNTER Code of Practice.

### 2.5 *Federated Search.*

Subscriber may construct a federated search interface to enable federated searching of the Subscribed Products by Subscriber and its Authorized Users. The terms and conditions of federated searching, setup of the API or similar, and data harvesting shall be governed by a separate federated search gateway agreement to be entered into between Elsevier and the Subscriber and its Institutions.

## **SECTION 3. SUBSCRIBER PERFORMANCE OBLIGATIONS.**

Distribution of usernames, passwords, credentials or otherwise providing remote access to the Subscribed Products by Authorized Users who are Walk-in Users is not permitted.

### 3.2 *Protection from Unauthorized Access and Use.*

The Subscriber will:

- take appropriate measures to protect against the misuse or unauthorized access, whether by the Consortium and relevant Institution(s) or any third party, through or to (a) the Subscriber’s credentials used to access the Subscribed Products; and (b) the Subscribed Products and/or information derived therefrom;
- manage identification, use, access and control of all credentials used to access the Subscribed Products in an appropriately secure manner, including, but not limited to, by:
  - limiting access to and use of the Subscribed Products to Authorized Users and notifying all Authorized Users of the usage restrictions set forth in this Agreement and that they must comply with such restrictions;

- issuing any passwords or credentials used to access the Subscribed Products only to Authorized Users, not divulging any passwords or credentials to any third party, and notifying all Authorized Users not to divulge any passwords or credentials to any third party; and
  - providing true, complete and accurate IP addresses, as identified on Schedule 2, (if any) for the exclusive use by the Consortium and relevant Institution(s) (including, if requested by Elsevier, written confirmation by the relevant third party internet service provider) and proactively informing Elsevier of any changes to the Consortium and relevant Institution(s) IP addresses, including the addresses no longer being used exclusively by the Consortium and relevant Institution(s).
- without undue delay, deactivate any credentials when no longer needed or where access presents a security risk;
  - implement appropriate policies and procedures to seek to ensure that all use of the Subscribed Products is for its legitimate business purposes and in compliance with all terms and conditions herein;
  - implement and maintain its own appropriate program for credentials management and will use commercially reasonable efforts to follow the policies and procedures for account maintenance as may be communicated to the Consortium by Elsevier from time to time in writing;
  - on an appropriate basis, review access to the Subscribed Products by its passwords or credentials used to access the Subscribed Products to ensure that such access was in compliance with all terms and conditions herein; and
  - promptly upon becoming aware of any unauthorized use of the Subscribed Products, inform Elsevier and take appropriate steps to end such activity and to prevent any recurrence.

In the event of any unauthorized use of the Subscribed Products, Elsevier may suspend access of the IP address(es) and/or passwords from which the unauthorized use occurred upon notice to the Consortium and relevant Institution(s). The Subscriber shall not be liable for unauthorized use of the Subscribed Products by any Authorized Users provided that the Subscriber did not intentionally assist in or encourage such unauthorized use or permit such unauthorized use to continue after having actual notice thereof.

### 3.3 *Security Requirements.*

The Subscriber agrees that the Subscriber will have in place policies and procedures, which will be reviewed by the Subscriber, covering the administrative, physical and technical safeguards in place and relevant to the access, use, loss, alteration, disclosure, storage, destruction and control of information. The Subscriber will promptly notify Elsevier if it determines that there has been a breach of such safeguards if such breach results in a compromise of any information provided hereunder and cooperate with Elsevier's reasonable requests surrounding such breach including taking appropriate steps to end such activity and to prevent any recurrence.

## **SECTION 4. FEES AND PAYMENT TERMS.**

The Lead Institution will pay to Elsevier the fees set forth in Schedule 1 (the "Fees") within one hundred and fifty (150) days of date of invoice. Notwithstanding the aforementioned, the Fees due for each year of the Term shall not be payable by Lead Institution [REDACTED] of the then current year. Late payments will be subject to interest charges [REDACTED]. The Fees will be exclusive of any sales, use, value added, withholding or similar tax and the Subscriber will be liable for any such taxes

in addition to the Fees. Any sum to be paid by the Lead Institution to Elsevier under this Agreement will be paid by way of transfer to Elsevier's bank account [REDACTED] Amsterdam, The Netherlands. [REDACTED]

## SECTION 5. TERM.

### 5.1 *Term.*

This Agreement becomes valid on the date of execution by both Parties. This Agreement takes effect on the date of publication in the Czech Register of Contracts or on 1 January 2022 (whichever occurs later) and continue until 31 December 2022 (“**Initial Term**”). The Parties to this Agreement declare that should the Agreement take effect after 1 January 2022, they will commence to perform their obligations and Elsevier provide access to the Subscribed Products as of 1 January 2022, i.e. before the commencement of this Agreement due to the necessity of access to the Subscribed Products of 1 January 2022, to the Subscriber and Authorized Users in the full scope of the authorization stipulated herein including all and any possible rights and authorizations such as potential archiving rights or extent of the access to the backfile content of Subscribed Products. The Fees set forth in Schedule 1 are agreed with regards to this availability of Subscribed Products. Performance of the Elsevier’s obligation to make the Subscribed Products available before the Agreement takes effect shall be considered entirely as a performance according to and in compliance with this Agreement.

### 5.2 *Renewal.*

This Agreement may be renewed upon mutual agreement of the parties in writing for an additional one-year term, subject to appropriate adjustments to Schedule 1.

### 5.3 *Early Termination Due To Insufficient Budgetary Allotment From Government.*

The Lead Institution may terminate this Agreement in writing within 60 days if sufficient funds are not provided or allotted in future government-approved budgets of the Subscriber (or reasonably available or expected to become available from other sources at the time the Subscriber’s payment obligation attaches) to permit the Subscriber, in the exercise of its reasonable administrative discretion, to continue this. After termination pursuant to this section 5.3 the Subscriber shall be due the prorated Fees relating to the period prior to termination.

## SECTION 6. ELSEVIER WARRANTIES AND INDEMNITIES.

### 6.1 *Warranties.*

Elsevier warrants that use of the Subscribed Products in accordance with the terms and conditions herein will not infringe the intellectual property rights of any third party.

### 6.2 *Indemnities.*

Elsevier will indemnify, defend and hold harmless the Subscriber and its Authorized Users from and against any loss, damage, costs, liability and expenses (including reasonable attorneys’ fees) arising from or out of any third-party action or claim that use of the Subscribed Products in accordance with the terms and conditions herein infringes the intellectual property rights of such third party. If any such action or claim is made, the Subscriber will promptly notify and reasonably cooperate with Elsevier. This indemnity obligation will survive the termination of this Agreement.

### 6.3 *Disclaimer.*

EXCEPT FOR THE EXPRESS WARRANTIES AND INDEMNITIES STATED HEREIN AND TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE SUBSCRIBED PRODUCTS ARE PROVIDED “AS IS” AND ELSEVIER AND ITS SUPPLIERS EXPRESSLY DISCLAIM ALL WARRANTIES AND REPRESENTATIONS OF ANY KIND WITH REGARD TO THE SUBSCRIBED PRODUCTS AND ANY OTHER DATA, DOCUMENTATION OR MATERIALS PROVIDED IN

#### 6.4 *Limitation of Liability.*

Except for the express warranties and indemnities stated herein and to the extent permitted by applicable law, in no event will Elsevier or its suppliers be liable for any indirect, incidental, special, consequential or punitive damages including, but not limited to, loss of data, business interruption or loss of profits, arising out of or in connection with this Agreement, or will the liability of Elsevier and its suppliers to the Subscriber exceed a sum equal to the Fees paid by the Subscriber hereunder during the twelve (12) month period immediately preceding the date on which the claim arose, even if Elsevier or any supplier has been advised of the possibility of such liability or damages. This limitation of liability shall not apply in events prescribed by the law, especially if such damage is a result of a gross negligence or if the damage was caused intentionally.

### **SECTION 7. GENERAL.**

#### 7.1 *Force Majeure.*

Neither party's delay or failure to perform any provision of this Agreement as a result of circumstances beyond its control (including, but not limited to, war, strikes, fires, floods, power failures, telecommunications or Internet failures or damage to or destruction of any network facilities or servers) will be deemed a breach of this Agreement. The parties agree that the departure of one or more members of the Euro zone will not, in and of itself, be a "circumstance beyond its control" and will not have the effect of discharging or excusing performance of (any obligation under) this Agreement.

#### 7.2 *Severability.*

The invalidity or unenforceability of any provision of this Agreement will not affect any other provisions of this Agreement.

#### 7.3 *Entire Agreement.*

This Agreement contains the entire understanding and agreement of the parties and replaces and supersedes any and all prior and contemporaneous agreements, communications, proposals and purchase orders, written or oral, between the parties with respect to the subject matter contained herein.

#### 7.4 *Modification.*

7.4.1 No modification, amendment or waiver of any provision of this Agreement will be valid unless in writing and signed by the parties, except for changes reflecting substituted titles, IP addresses, authentication mechanisms, invoicing and contact address details which may be notified by Elsevier or by Subscriber and confirmed by the other party in an exchange of email notices.

7.4.2 The Subscriber, in compliance with Section 100(1) of Act No. 134/2016 Sb., on Public Procurement, as amended, reserves the right to change the commitment under this Agreement, which entails a change in the number of Institutions, i.e. for the purpose of accommodating additional Potential Participating Institutions with whom the Subscriber has entered into a central procurement agreement and, a list of which is provided in Schedule 1. This reservation will be effected, as the case may be, by means of an amendment to this Agreement based on the interest of the Potential Participating Institutions mentioned in the preceding sentence in receiving performance under this Agreement. The parties may include the price for the subscriptions for the Potential Participating Institutions in Schedule 1.

#### 7.5 *Assignment.*

The Subscriber will not assign, transfer or license any of its rights or obligations under this Agreement unless it obtains the prior written consent of Elsevier, which consent will not unreasonably be withheld.

#### 7.6 *Privacy.*

Elsevier shall not, without the prior written consent of the Subscriber (relevant Institution), transfer any personal information received under this Agreement to any non-affiliated third party, except (i) to applicable service providers to the extent necessary to perform their functions for Elsevier in support of this Agreement; (ii) where reasonably necessary to address security, safety, fraud or other legal issues; and (iii) if the Subscribed Products are acquired by another company, or use it for any purpose other than as described in this Agreement. To the extent that Authorized Users provide any personal data to Elsevier during account registration or otherwise, the Subscriber acknowledges that such information will be collected, used and disclosed by Elsevier in accordance with the Elsevier privacy policy applicable to the Subscribed Products. Each party will comply with its obligations under applicable privacy and data protection legislation with respect to the processing of personal data of Authorized Users in connection with the Agreement, if any. The parties acknowledge that the Lead Institution itself neither provides nor processes any personal information regarding Authorized Users of any Institutions under this Agreement.

#### 7.8 *Confidentiality.*

The Subscriber and its employees, officers, directors and agents will maintain as confidential and not disclose to any non-affiliated third party without Elsevier's prior written consent the financial terms and commercial conditions of this Agreement. Elsevier may only disclose such information (i) to applicable service providers to the extent necessary to perform their functions in support of this Agreement and (ii) where reasonably necessary to address security, safety, fraud or other legal issues. The confidentiality obligation does not apply to information which:

- must be disclosed in the Czech Register of Contracts, except for personal information, trade secrets and sensitive information that shall be blacked out in the relevant publication of the contract, as permitted by the applicable law and to the extent required by Elsevier;
- which has been a matter of public domain as of the date of the disclosure thereof;
- which has become or will become publicly known or available otherwise than through the breach of the obligations of the disclosing party, its employees, subcontractors, advisers or consultants resulting from this Agreement;
- which has been disclosed based on an obligation resulting from the generally binding legal regulations or a final decision of courts or public authorities; and
- to the disclosure of which the other party has granted an explicit written consent to the disclosing party.

#### 7.9 *Compliance with Laws.*

Each party will comply with all applicable laws and regulations relating to its duties and obligations under this Agreement. Elsevier reserves the right to deny access to the Subscribed Products to any person or entity who is prohibited from receiving such access based on any applicable export control and trade sanctions laws or embargo programs.

#### 7.10 *Execution.*

This Agreement and any amendment thereto may be executed in counterparts, and signatures exchanged by facsimile or other electronic means are effective to the same extent as original signatures. Each party

declares that the electronic execution is valid and effective in the jurisdiction the party executes the Agreement.

#### 7.11 Power of Attorney.

The Lead Institution represents and warrants that the Institutions acknowledge and agree to be bound by the terms and conditions of the Agreement, including but not limited to the restrictions on access to and use of the services as set forth in the Agreement. The Lead Institution will inform each individual Institution specified in Schedule 2 of the terms and conditions of access.

#### 7.12 *Governing Law*

This Agreement shall be interpreted and construed according to, and governed by, the laws of the Czech Republic, in particular by the Act No. 89/2012 Coll., the Civil Code, as amended, excluding any such laws that might direct the application of the laws of another jurisdiction.

#### 7.13 *Audit Rights*

Elsevier acknowledges that the Subscriber can be audited by a respective authority and that the conditions regulating the financing of the Subscriber require that the Subscriber ensure the necessary cooperation of Elsevier in order to conduct a proper audit of the Subscriber. For this purpose, Elsevier will use commercially reasonable efforts to provide the necessary cooperation, information, declaration and documents concerning the Subscriber to any auditing/controlling body authorized to carry out an audit of the Subscriber in compliance with the rules and regulations of the Czech Republic and mandatory rules of the European Union regarding financial control, especially regarding the grants. Elsevier shall use commercially reasonable efforts to also cooperate with persons authorized to execute the audit of the Subscriber by such auditing bodies. Failure of Elsevier to provide cooperation as described in this section 7.13 causing that an effective audit could not be realized shall be deemed a serious breach of this Agreement, and the Subscriber shall have the right to terminate the Agreement with a written notice effective immediately by the date of delivery of such a notice. Elsevier is obliged to fully compensate any damage that should arise as a result of Elsevier's gross negligence and wilful misconduct that leads to failure to perform its duty to cooperate described in this section 7.13. Duties described in this section 7.13 shall survive the termination of this Agreement.

**IN WITNESS WHEREOF**, the parties have executed this Agreement by their respective, duly authorized representatives as of the date first above written.
