Product Terms
Single Title Journal Subscriptions and Legacy Sets
(Nature journals)

1. Term and Access Rights

- 1.1 The Term shall begin on 1st January 2023 (the “Commencement Date”) and shall end on 31st December 2025.
- 1.2 Continuing Access Journals: During the Term, Licensee shall have access to the Continuing Access Journals listed in Section 3.1 first published during the Term. After the Term, Licensee shall have Continuing Access to the Continuing Access Journals first published during the Term, subject to all the terms and conditions of this License Agreement.
- 1.3 Backfile Access During the Term: In addition, during the Term only, Licensee will be granted access to the Content of the Continuing Access Journals titles published beginning the later of (a) four years prior to the Commencement Date or (b) the first date of publication. If, for any Continuing Access Journal title listed in Section 3.1, Licensee has had prior licenses to that journal for a continuous period extending to the Commencement Date of this Term, then Licensee shall additionally, during the Term only, be granted access to the Content of that journal published beginning the latest of (a) four years prior to the commencement date of Licensee’s first license to that journal during the continuous period of licenses, (b) the first date of publication, or (c) 2012.

2. Cessation of Publication / Transfers

- 2.1 Cessation of Publication of Continuing Access Journals During the Term If Licensors cease to publish new Content for 3% or more of the Continuing Access Journals during any calendar year of the Term, whether because Licensors cease to have publishing rights or because Licensors cease to publish those Continuing Access Journals, upon Licensee’s written request, Licensors will, at Licensors’ sole option, offer to Licensee:
- (1) access to additional Content not presently licensed to Licensee with an approximate value equal to or greater than the value at the date of cessation of the Content associated with the discontinued Continuing Access Journals that was to be published from the date of cessation of publication through the end of the Term, or
 - (2) a credit toward any future acquisition of a Product in the same value as that mentioned in part (1) above.

The value to be applied for additional Content or a credit will be determined by Licensors in good faith, taking into account factors which may include, without limitation, number of articles, number of pages, impact factor, usage factor, and list price of the Content in question, or any other formula including any or all such factors that allows Licensors to calculate the value of the lost Content as a percentage of the Continuing Access Journals under the License.

- 2.2 **Transfer of Publishing Rights to Continuing Access Journals** If Licensor's publishing rights to a Continuing Access Journal are transferred to another publisher or entity at any time during or after the Term, Licensor will use reasonable efforts to provide Licensee with Continuing Access to the Content of that Continuing Access Journal published by Licensor during the Term, either (a) online on the Platform, (b) online on the new publisher's website, or (c) offline by providing the same on a digital storage medium. In case of (c) above, use of the Continuing Access Journal shall be subject to the terms of this License Agreement, except for Sections 4.3 and 4.4 of the General Terms and Conditions.

- 1.1 The Term shall begin on 1st January 2023 (the “Commencement Date”) and shall end on 31st December 2025.
- 1.2 Continuing Access Journals: During the Term, Licensee shall have access to the Continuing Access Journals listed in Section 3.1 first published during the Term. 2. Cessation of Publication / Transfers

- 2.1 Cessation of Publication of Continuing Access Journals During the Term If Licensors cease to publish new Content for 3% or more of the Continuing Access Journals during any calendar year of the Term, whether because Licensors cease to have publishing rights or because Licensors cease to publish those Continuing Access Journals, upon Licensee’s written request, Licensors will, at Licensors’ sole option, offer to Licensee:

- (1) access to additional Content not presently licensed to Licensee with an approximate value equal to or greater than the value at the date of cessation of the Content associated with the discontinued Continuing Access Journals that was to be published from the date of cessation of publication through the end of the Term, or

If the Unavailability continues beyond the Grace Period, Customer shall be entitled to a pro-rata credit of any License Fees paid in advance on behalf of the affected Licensee for the affected Product. Licensor will credit the Customer with an amount calculated as follows:

[Annual License Fee for affected Product] x [Number of full days of Unavailability divided by 365]

All of Licensor's obligations and Licensee's rights under this Section 4.4 are subject to (i) Licensee's full compliance with this License Agreement and Licensor's reasonable instructions regarding access to the Content, (ii) Licensor's receipt of prompt notification of a loss of access or interruption, specifying the circumstances in reasonable detail, including affected Licensee and Product. Further, Licensor shall have no obligation under this Section 4.4 for any Unavailability caused in whole or in part by a Licensee or its Authorized Users, or by events described in Paragraph 10.2.

4.9 In the event that the Czech Republic or the European Union implements an Open Access policy

during the Term of this License Agreement, Licensor may consider the possibility to enter into discussions with the Customer regarding the terms of this License Agreement, but, in any case, this shall not be considered as an obligation of the Licensor to renegotiate this License Agreement or change the terms hereby agreed.

The Customer has the right to prove that the actual damage incurred by its default is less than as set forth in the second sentence of this Section 6.1, and will then only be obliged to pay the actual damage.

6.2 All amounts payable by Customer shall be exclusive of any sales, use, withholding, value added or similar taxes, government fees or levies or other assessments. Collection and/or, remittance of such taxes to the relevant tax authority shall be the responsibility of the party who has the legal obligation to do so.

Following termination against an individual Licensee, Customer shall promptly provide Licensor with a certificate duly executed by one of its Directors, accompanied by all the supporting documentation, certifying the portion of the License Fees allocated to that Licensee for the subsequent years of the Term after termination. In such event, Licensor will recalculate the License Fees accordingly.

In the event of early termination in the case of breach by Licensor, the Customer shall be entitled to a pro-rata refund of the paid Licensee Fee for the remaining period of the License Agreement from the date of termination.

In the event of such financial circumstances, the Customer will notify the Licensor of the intent to terminate this License Agreement or partially terminate this License Agreement at least thirty (30) days before the end of the respective year. This License Agreement shall terminate in the selected extent on the last day of the respective year without penalty of expense to the Customer of any kind whatsoever, except as to the portions of payments herein agreed for which funds shall have been appropriated and budgeted or otherwise available. At Licensor's request, Licensee shall provide a declaration executed by an officer of Licensee attesting that such the measures described above in Section 7.5 (c) and (d) have been fully effectuated. For clarity, however, the first two sentences of this Section 7.5 do not apply upon expiration of the Term of a Product with Continuing Access specified in the applicable Product Terms. All indemnification, confidentiality, and payment obligations in the License Agreement up to the termination date shall survive such termination or expiration.

7.6 Any termination right under this Section 7 may be exercised by Customer or against Customer or an individual Licensee, provided that in the case of termination by Licensor with respect to an individual Licensee,—this License Agreement shall remain in effect with respect to all other Licensees.
