#### 2.1 *Access to Subscribed Products.*

Elsevier will make the Subscribed Products accessible to the Subscriber and its Authorized Users from the internet address set forth on Schedule 1 or as may be otherwise set forth herein, upon receipt by Elsevier of this Agreement document in the territory of The Netherlands, as duly electronically signed by the Subscriber, which acceptance will be evidenced and timestamped by an authorised representative of Elsevier in the Netherlands. However, the parties must proceed pursuant to Section 5.1 of this Agreement.

If, due to causes within its reasonable control, Elsevier is unable to provide the Subscriber with access to the service for a period exceeding twenty-four (24) consecutive hours, then Elsevier shall extend the term of the Agreement for corresponding period at no additional cost to the Subscriber. If Elsevier is unable to provide the Subscriber with access to the service for a period exceeding five (5) consecutive days, then Elsevier shall refund to the Subscriber the amount of the Fees calculated by dividing the number of days of downtime by 365 and multiplied by the amount of the Fees for the then current year. The remedy provided herein is in addition to and not exclusive of any other rights and remedies that the Subscriber may have under this Agreement and at law or in equity.

### 2.3 *Withdrawal of Content.*

Elsevier reserves the right to withdraw from the Subscribed Products content that it no longer retains the right to provide or that it has reasonable grounds to believe is unlawful, harmful, false or infringing. If the withdrawal represents more than ten (10%) percent of the content comprising the Subscribed Products, Elsevier shall refund to the Subscriber the amount of the Fees that is proportional to the amount of content withdrawn and the remaining unexpired portion of the period for which the Fees were paid.

### 2.4 *Usage Data Reports/Confidentiality*

Elsevier will make usage data reports on the usage activity of each Subscriber available as described at [https://www.elsevier.com/sd\\_usage\\_reports\\_on\\_a\\_monthly\\_basis\\_to\\_the\\_librarians/administrators\\_employed\\_by\\_the\\_Subscriber](https://www.elsevier.com/sd_usage_reports_on_a_monthly_basis_to_the_librarians/administrators_employed_by_the_Subscriber). Such reports may be shared with internal stakeholders and including Ministry of Education, Youth and Sports without prior permission of Elsevier; may be accessed by vendors or other third parties retained by the Subscriber only with the express written permission of Elsevier, which shall not be unreasonably withheld, and for the purpose of usage analysis of the Subscriber. Elsevier will make all reasonable efforts to comply with the then currently valid COUNTER Code of Practice. Elsevier will maintain as confidential and not disclose to any third party any search or other usage data except in aggregated, collective or anonymized form.

### 2.6 *Federated Search.*

Subscriber may construct a federated search interface to enable federated searching of the Subscribed Products by Subscriber and its Authorized Users. The terms and conditions of federated searching shall be governed by a separate federated search gateway agreement to be entered into between Elsevier and the Subscriber and its Institutions.

## **SECTION 3. SUBSCRIBER PERFORMANCE OBLIGATIONS.**

### 3.1 *Authentication.*

Access to the Subscribed Products will be authenticated by the use of Internet Protocol (“IP”) address(es) and/or usernames and passwords and/or a delegated authentication mechanism requiring at least two different credentials, as identified on Schedule 2. Access to the Subscribed Products by Authorized Users who are Walk-in Users is permitted at the Sites only. Remote access to the Subscribed Products by Walk-in Users is not permitted. The distribution of usernames/passwords and other access credentials to such Authorized Users who are Walk-in Users or otherwise made discoverable by those Authorized Users who are Walk-in Users is not permitted.

### 3.2 *Protection from Unauthorized Access and Use.*

The Subscriber will:

- take appropriate measures to protect against the misuse or unauthorized access, whether by the Subscriber or any third party, through or to (a) the Subscriber’s credentials used to access the Subscribed Products; and (b) the Subscribed Products and/or information derived therefrom;
- manage identification, use, access and control of all credentials used to access the Subscribed Products in an appropriately secure manner, including, but not limited to, by:
  - limiting access to and use of the Subscribed Products to Authorized Users and notifying

all Authorized Users of the usage restrictions set forth in this Agreement and that they must comply with such restrictions;

  - provide true, complete and accurate IP addresses, as identified on Schedule 2, (if any) for the exclusive use by each Subscriber (including, if requested by Elsevier, written confirmation by the relevant third party internet service provider) and proactively inform Elsevier of any changes to each Subscriber's IP addresses, including the addresses no longer being used exclusively by each Subscriber; and
- immediately deactivate any credentials when no longer needed or where access presents a security risk;
  - implement and maintain its own appropriate program for credentials management and ensure access to the Subscribed Products via such credentials is reviewed on an appropriate basis; and
  - promptly upon discovering itself, or being notified by Elsevier or a third party, that there has been unauthorized use of the Subscribed Products or a security issue permitting unauthorized use, Subscriber will take appropriate steps to end such activity and to prevent any recurrence, including, but not limited to, implementing required updates and configuration where needed to rectify the issue. When notified by a third party or upon discovering the unauthorized use directly, Subscriber must promptly notify Elsevier of the unauthorized use. Subscriber will cooperate with Elsevier and share information, subject to any applicable confidentiality or nondisclosure obligations, concerning the unauthorized use or security issue.

In the event of any unauthorized use of the Subscribed Products, Elsevier may suspend the access and/or require that the Subscriber suspend the access from where the unauthorized use occurred upon notice to the Subscriber. The Subscriber will not be liable for unauthorized use of the Subscribed Products by any Authorized Users provided that the unauthorized use did not result from the Subscriber's own gross negligence or willful misconduct and that the Subscriber did not permit such unauthorized use to continue after having actual notice thereof.

### 3.3 *Security Requirements.*

The Subscriber agrees that the Subscriber will have in place policies and procedures, which will be reviewed by the Subscriber periodically, covering the administrative, physical and technical safeguards in place and relevant to the access, use, loss, alteration, disclosure, storage, destruction and control of information. The Subscriber will promptly notify Elsevier if it determines that there has been a failure of such safeguards if such failure results in a compromise of the confidentiality or security of any Elsevier Content provided hereunder and cooperate with Elsevier's reasonable requests surrounding such failure, including taking appropriate steps to end such activity and to prevent any recurrence. For the purpose of this Section 3.3, "Elsevier Content" means any material or information which Elsevier provides or makes available to the Subscriber in connection with the Subscribed Products and performance of this Agreement.

## **SECTION 4. FEES AND PAYMENT TERMS.**

The Lead Institution will pay to Elsevier the fees set forth in Schedule 1 (the "Fees") within one hundred and fifty (150) days of date of invoice. Notwithstanding the aforementioned, the Fees due for each year of the Term shall not be payable by Lead Institution before [REDACTED] of the then current year. Late payments

will be subject to interest charges of [REDACTED] per month on the unpaid balance. The Fees will be exclusive of any sales, use, value added, withholding or similar tax and the Subscriber will be liable for any such taxes in addition to the Fees. Any sum to be paid by the Lead Institution to Elsevier under this Agreement will be paid by way of transfer to Elsevier's bank account [REDACTED].

All the prices (the fees) under this Agreement are set forth as final, unchangeable and the maximum allowable and cover and include all activities relating to the performance under the Agreement. Elsevier may not charge any additional costs or expenses to the Subscriber. For the avoidance of doubt, any addition of new institutions to this Agreement will be subject to additional fees under this Agreement, which will be mutually agreed in an amendment to this Agreement.

The invoice shall contain all the requisites set forth by the applicable legislation, especially Act No. 235/2004 Coll., VAT Act, as amended ("VAT Act"). The invoice shall be delivered to the Lead Institution either originally or electronically to the e-mail address [REDACTED]. The invoice shall include a reference to the Subscribed Products pursuant to this Agreement.. The Lead Institution will be charged local value added tax (VAT), based on the Lead Institution's place of establishment, unless the Lead Institution is a foreign relevant business person and provides to Elsevier its VAT Identification Number. The Subscriber will promptly notify Elsevier of any changes to its VAT Identification Number or VAT status. Elsevier may charge the Lead Institutions any VAT, fines, penalties, interest and other costs that Elsevier may incur as a result of incorrect VAT information.

Each party shall bear its own costs in connection with this Agreement. The bank fees for the bank transfer are shared between the parties.

The Lead Institution may cover the invoice partially if an Institution did not provide its financial contribution in time. In the event of such incomplete payment, the Lead Institution will notify Elsevier in writing of the intended difference no less than ten (10) days prior to the due date and will specify the Institution that failed to provide its financial contribution in time. In such case the Lead Institution is not in delay with the payment and Elsevier may suspend access to the Subscribed Products to this Institution in delay with providing its financial contribution without incurring liability from this suspension. The suspension of access to this Institution is can last until the fee is completely paid in full.

## **SECTION 5. DURATION.**

### **5.1 Term.**

This Agreement becomes valid on the date of execution by the parties to this Agreement. This Agreement takes effect on the date of publication in the Czech Register of Contracts or on 1 January 2023 (whichever occurs later) and continue until 31 December 2023 ("Initial Term"). The parties to this Agreement declare that should the Agreement take effect after 1 January 2023, they will commence to perform their obligations and Elsevier provides access to the Subscribed Products as of 1 January 2023, i.e. before the commencement of this Agreement due to the necessity of access to the Subscribed Products of 1 January 2023, to the Subscriber and Authorized Users in the full scope of the authorization stipulated herein. The Fees set forth in Schedule 1 are agreed with regards to this availability of Subscribed Products. Performance of the Elsevier's obligation to make the Subscribed Products available before the Agreement takes effect shall be considered entirely as a performance according to and in compliance with this Agreement.

### **5.2 Renewal.**

After the Initial Term, this Agreement may be renewed upon mutual agreement of the parties in writing for an additional one-year term(s) ("Renewal Term"), subject to appropriate adjustments to Schedule 1. The Initial Term and each Renewal Term are collectively the "Term".

### 5.3 *Early Termination Due to Insufficient Budgetary Allotment from Government.*

The Lead Institution may terminate this Agreement in writing within 90 days if sufficient funds are not provided or allotted in future government-approved budgets of the Subscriber (or reasonably available or expected to become available from other sources at the time the Subscriber's payment obligation attaches) to permit the Subscriber, in the exercise of its reasonable administrative discretion, to continue this Agreement. After termination pursuant to this section 5.3 the Subscriber shall be due to pay the prorated Fees relating to the period prior to termination.

### 5.4 *Termination for a Material Breach.*

Each party shall notify the breaching party of a material breach of this Agreement in writing with a detailed description of the breach. The breaching party shall have thirty (30) days from the receipt of such notice to use all reasonable means to cure this alleged material breach and to notify the non-breaching party in writing that a cure has been effected. If the material breach is not cured within the thirty (30)-day period, the non-breaching party shall have the right to terminate the Agreement with a written notice entirely, however, if such material breach would concern or relate merely a certain Institution or Institutions, Elsevier has the right to terminate the Agreement only or partially with respect to this or these Institutions if the material breach arose only due to this particular Institution. Termination of this Agreement is effective immediately by the date of delivery of such a notice. The obligation of the parties to also remedy any other breach shall not be affected by this provision.

### 5.5 *Termination of Access*

Upon termination of this Agreement, Elsevier may terminate access to the Subscribed Products by the Subscriber and the Authorized Users (in case of a partial termination of this Agreement only with respect to the particular Institution and their Authorized Users). In addition, authorized copies of the Subscribed Products made by the Authorized Users may be retained for educational purposes and used subject to the terms of this Agreement even after the termination of this Agreement.

## **SECTION 6. ELSEVIER WARRANTIES AND INDEMNITIES.**

### 6.1 *Warranties.*

Elsevier warrants that use of the Subscribed Products in accordance with the terms and conditions herein will not infringe the intellectual property rights of any third party.

### 6.2 *Indemnities.*

Elsevier will indemnify, defend and hold harmless the Subscriber and its Authorized Users from and against any loss, damage, costs, liability and expenses (including reasonable attorneys' fees) arising from or out of any third-party action or claim that use of the Subscribed Products in accordance with the terms and conditions herein infringes the intellectual property rights of such third party. If any such action or claim is made, the Subscriber will promptly notify and reasonably cooperate with Elsevier. This indemnity obligation will survive the termination of this Agreement.

### 6.3 *Disclaimer.*

EXCEPT FOR THE EXPRESS WARRANTIES AND INDEMNITIES STATED HEREIN AND TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE SUBSCRIBED PRODUCTS ARE PROVIDED "AS IS" AND ELSEVIER AND ITS SUPPLIERS EXPRESSLY DISCLAIM ALL WARRANTIES AND REPRESENTATIONS OF ANY KIND WITH REGARD TO THE SUBSCRIBED PRODUCTS AND ANY OTHER DATA, DOCUMENTATION OR MATERIALS PROVIDED IN CONNECTION WITH THIS AGREEMENT, INCLUDING BUT NOT LIMITED TO ANY ERRORS, INACCURACIES, OMISSIONS, OR DEFECTS CONTAINED THEREIN, AND ANY IMPLIED OR EXPRESS WARRANTY AS TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

#### 6.4 *Limitation of Liability.*

Except for the express warranties and indemnities stated herein and to the extent permitted by applicable law, in no event will Elsevier or its suppliers be liable for any indirect, incidental, special, consequential or punitive damages including, but not limited to, loss of data, business interruption or loss of profits, arising out of or in connection with this Agreement, nor will the liability of Elsevier and its suppliers to the Subscriber exceed a sum equal to the Fees paid by the Subscriber hereunder during the twelve (12) month period immediately preceding the date on which the claim arose, even if Elsevier or any supplier has been advised of the possibility of such liability or damages. This limitation of liability shall not apply in events prescribed by the law, especially if such damage is a result of a gross negligence or if the damage was caused intentionally.

### SECTION 7. GENERAL.

#### 7.1 *Force Majeure.*

Neither party's delay or failure to perform any provision of this Agreement as a result of circumstances beyond its control (including, but not limited to, war, strikes, fires, floods, power failures, telecommunications or Internet failures or damage to or destruction of any network facilities or servers) that prevents it from fulfilling its obligations under this Agreement (any such circumstances being "Force Majeure") will be deemed a breach of this Agreement. The parties agree that the departure of one or more members of the Euro zone will not, in and of itself, be a "circumstance beyond its control" and will not have the effect of discharging or excusing performance of (any obligation under) this Agreement. .

7.4.2 The Subscriber, in compliance with Section 100(1) of Act No. 134/2016 Sb., on Public Procurement, as amended, reserves the right to change the commitment under this Agreement, which entails a change in the number of Institutions, i.e. for the purpose of accommodating additional Potential Participating Institutions with whom the Subscriber has entered into a central procurement agreement and, a list of which is provided in Schedule 1. This reservation will be effected, as the case may be, by means of an amendment to this Agreement based on the interest of the Potential Participating Institutions mentioned in the preceding sentence in receiving performance under this Agreement. The parties may include the price for the subscriptions for the Potential Participating Institutions in Schedule 1.
