The Distributor is acting on behalf of *Central and Eastern European Online Library GmbH (CEEOL), Basaltstrasse 9, D-60487 Frankfurt am Main, Germany, VAT number: DE300273105* ("**Publisher**")

The Licensee acts as a central purchasing body within the meaning of Act No. 134/2016 Coll., on Public Procurement, as amended, for concluding license agreements on behalf of Participating Institutions as listed in Appendix B ("**Participating Institutions**") as part of the project CzechELib. In the event the Licensee is listed in Appendix B, all and any provisions related to Participating Institutions shall be without any limitation applicable also to the Licensee.

The Licensee shall be entitled to grant the necessary authorization or sublicense to Participating Institutions.

In consideration of the mutual promises contained herein and other good and valuable considerations, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. Representation, Subject of the Agreement, Content of Licensed Materials; Grant of License

- 1.1 **Representation.** The Distributor hereby represents and warrants that it has all the authority, competence and license to grant a license to the Licensed Materials to the Licensee as defined in this Agreement. Where the performance of the Distributor's obligation depends on the activity and/or cooperation of the Publisher, the Distributor shall ensure and is liable for any violation of the rights and/or obligations stipulated herein as a result of the activity or inactivity of the Publisher and this can serve as a reason for termination of this Agreement pursuant to Section 11.
- 1.2 **Subject of the Agreement.** The subject of this Agreement is to define the conditions of cooperation and the rights and duties of the Parties while providing the Licensed Materials to the Licensee and the Participating Institutions as defined in this Agreement.
- 1.3 **Licensed Materials.** The materials that are the subject of this Agreement are set forth in Appendix A ("**Licensed Materials**").
- 1.4 **Grant of License.** The Distributor hereby grants to the Licensee and the Participating institutions a non-exclusive, non-transferable access right. The Licensee is entitled to grant the sublicenses to the Participating Institutions. The Licensee and the Participating Institutions are entitled to access and use the Licensed Materials, and to provide the Licensed Materials to the Authorized Users (which are defined in Section 4.1 of this Agreement) of the Participating Institutions (which are listed in Appendix B) in accordance with the terms of this Agreement.
- 1.5 **Ownership of Intellectual Property.** Nothing in this Agreement shall be construed, interpreted or understood to transfer of ownership of any copyright, trademarks, service marks or any other intellectual property from the Distributor or its suppliers to the Licensee or the Authorized Users.

2. Delivery & Access

- 2.1 The Distributor will provide the Licensed Materials to the Licensee and to the Participating Institutions in the following manner:

Network Access. The Licensed Materials will be stored at one or more of the Publisher's locations in digital form accessible by telecommunication links between such locations and authorized locations of the Licensee and the Participating Institutions.

3. Fees

- 3.1 **Fees and Payment.** The Licensee shall pay the Distributor a fee for the license concerning the Licensed Materials pursuant to the terms set forth in Appendix A based on an invoice issued by the Distributor ("**Fee**"). All Fees are due and payable by the Licensee by 30 May of the respective calendar year, unless otherwise stipulated in Appendix A.
- 3.2 **Incomplete Payment.** The Licensee may cover the invoice partially if a Participating Institution did not provide its financial contribution in time. In the event of such incomplete payment, the Licensee will notify the Distributor in writing of the intended difference no less than ten (10) days prior to the due date. In such case the Licensee is not in delay with the payment and the Distributor or the Publisher may suspend the IP addresses of such Participating Institution until the Fee is completely paid.
- 3.3 **Change of number of Participating Institutions listed in Appendix B.** In case any Participating Institution shall lose its status as a Participating Institution or in case any Potential Participating Institution and/or new scientific (or similar) institution shall reveal its intent to become a Participating Institution, the Distributor shall enter into negotiations with the Licensee to amend this Agreement and to correspondingly renegotiate the Fee.

4. Authorized Use of Licensed Materials

- 4.1 **Authorized Users.** "**Authorized Users**" are:

- (a) Persons affiliated with the Participating Institutions. Full and part-time employees (including faculty and staff) of the Participating Institutions and students of the Participating Institutions, and registered users, regardless of the physical location of such persons. For authorized sites of the Participating Institutions, see Appendix B. Should the Licensee be listed in the Appendix B as the Participating Institution, all provisions concerning the Participating Institution and the Authorized Users shall apply also with respect to the Licensee.
- (b) Walk-ins. Persons not affiliated with the Participating Institutions who are physically present at the Participating Institutions' site(s) ("**Walk-ins**").

4.2 **Access by and Authentication of Authorized Users.** Authorized Users of the Participating Institutions shall be granted access to the Licensed Materials pursuant to the following:

- (a) **IP Addresses.** Authorized Users shall be identified and authenticated by the use of Internet Protocol ("IP") addresses provided by the Licensee to the Distributor. The use of proxy servers by the Licensee or the Participating Institutions is authorized as long as any proxy server IP addresses provided limit remote or off-campus access to the Authorized Users. Authorized IP Addresses are listed in Appendix C. An updated list will be sent to the Distributor on an annual or as-needed basis without the need to amend this Agreement. Alternatively, if the Publisher is utilizing its own and/or third-party system for IP range change notification, then an updated list may be sent via such system instead. The Distributor and/or the Publisher will use reasonable efforts to cooperate with the Participating Institutions in the implementation of new authentication protocols and procedures (such as Shibboleth) if they are developed during the term of this Agreement. The Licensee will, if necessary, provide cooperation to coordinate or facilitate this process but it will not be liable for correct implementation of such authentication protocols and procedures (which remain the full responsibility of the Distributor and the Publisher and the respective Participating Institution).
- (b) **Distributor or Publisher - Administered Authentication.** Where the Distributor or the Publisher provides alternative methods of access and authentication beyond the Licensee-administered methods described herein, e.g. by allowing users to establish a personal login from an on-campus IP address (thereby enabling access via username and password when logging in to a website of the Distributor) or device authentication, which affiliates the device or application by use of a token, cookie, or vendor-managed proxy prefix, neither the Licensee nor any Participating Institution will be responsible or liable for claims of breach or validity of such use. Neither the Licensee nor any of the Participating Institutions shall be responsible or liable for the processing of personally identifiable information (personal data) by the Distributor or Publisher in this matter as this remains its full liability.
- (c) **Personally Identifiable Information (Personal Data) of Authorized Users.** The Licensee, the Distributor and the Publisher acknowledge and agree that the Licensee neither transfers nor provides any personally identifiable information (personal data) of the Authorized Users to the Distributor or the Publisher. Access to the Licensed Materials is primarily granted via IP Addresses pursuant to Section 4.2(a) of this Agreement which prevent any identification of the Authorized User. In case of the Distributor or the Publisher - Administered Authentication pursuant to Section 4.2(b) of this Agreement, the Distributor and the Publisher are required to ensure lawful processing of any personally identifiable information (personal data). This does not preclude the Licensee to hand over the contact details of the Participating Institutions' contact persons or other personal data where the Licensee has a valid legal basis therefor.

4.3 **Authorized Uses.** The Participating Institutions and the Authorized Users may make all use of the Licensed Materials as is consistent with the applicable law and with this Agreement, including but not limited to the following licensing conditions ("**Authorized Uses**"). In addition, the Licensed Materials may be used for purposes of research, education or other non-commercial use as particularly follows:

- (a) Display. The Participating Institutions and the Authorized Users shall have the right to electronically display the Licensed Materials.
- (b) Digital Copy. The Participating Institutions and Authorized Users may download and digitally copy a reasonable portion of the Licensed Materials.
- (c) Print Copy. The Participating Institutions and the Authorized Users may print a reasonable portion of the Licensed Materials.
- (d) Recover Copying Costs. The Participating Institutions may impose a reasonable fee on the Authorized Users to cover costs of copying or printing portions of the Licensed Materials by or for the Authorized Users.
- (e) Archival/Backup Copy. 90 days after the expiration of the Subscription Period, Publisher will provide the Licensee, upon request, an archival (non-searchable) file in a mutually-acceptable format, containing the current year/s content of journal issues subscribed to during the Subscription Period.
- (f) Caching. The Participating Institutions and the Authorized Users are authorized in the course of an automatic process of an internet browser or any other software to make temporary local digital copies of the Licensed Materials in order to ensure proper operation and use of such internet browser or for proper functioning of such software. For the avoidance of doubt, the cached copy is not a derivative work.
- (g) Classroom Use. The Participating Institutions and the Authorized Users may distribute single copies of individual articles or items of the Licensed Materials in print or electronic form to the Authorized Users. For the avoidance of doubt, classroom handouts shall include the distribution of a copy for teaching purposes to all individual Authorized Users in a class at Authorized Sites (Appendix B).
- (h) Collections of Information. The Participating Institutions and the Authorized Users shall be permitted to extract or use information contained in the Licensed Materials for educational, scientific, or research purposes, including extraction and manipulation of information for the purpose of illustration, explanation, example, comment, criticism, teaching, research, or analysis.
- (i) Course Packs (Print and Electronic). The Participating Institutions and the Authorized Users may use a reasonable portion of the Licensed Materials in the preparation of a packet of the materials used in the classroom ("**Course Packs**") or other educational materials.

- (j) Course Reserves (Print and Electronic). The Participating Institutions and the Authorized Users may use a reasonable portion of the Licensed Materials in connection with specific courses of instruction offered by the Participating Institutions.
- (k) Electronic Links. The Participating Institutions and the Authorized Users may provide hyperlinks from the Participating Institutions' and the Authorized Users' web page(s) or website(s) to individual units of content within the Licensed Materials.
- (l) Scholarly Sharing. On an ad hoc basis, the Authorized Users may transmit to a third party, in hard copy or electronically, minimal, insubstantial amounts or a portion of the Licensed Materials for personal use or scholarly, educational, or scientific research or professional use in the nature of collaboration, comment, or scholarly exchange of ideas but in no case for resale or commercial purposes or in a manner that would substitute for direct access to the Licensed Materials via services offered by the Distributor and/or the Publisher.
- (m) Text and Data Mining. For the avoidance of doubt, the Distributor as well as the Publisher acknowledge and agree that the rights and authorizations under this Section may not be excluded or limited pursuant to Article 7(1) of Directive (EU) 2019/790 of the European Parliament and of the Council of 17 April 2019 on copyright and related rights in the Digital Single Market and amending Directives 96/9/EC and 2001/29/EC, and that such rights and authorizations are in addition to, and not in lieu of, the rights and authorizations provided to the Authorized Users under statutory provisions governing the scope of such authorizations (i.e. text and data mining).

The Parties therefore hereby stipulate that the Authorized Users may use the Licensed Materials to perform and engage in text and/or data mining activities for academic research, scholarship, and other educational purposes and may utilize and share the results of text and/or data mining in their scholarly work and make the results available for use by others, so long as the purpose is not to create a product for use by third parties that would substitute for the Licensed Materials.

To facilitate these activities, the Distributor and the Publisher will, upon receipt of a written request, cooperate with the Licensee and the Authorized Users as will be reasonably necessary for making the Licensed Materials available in a manner and form most useful to the Authorized User. The Distributor shall ensure that the Publisher will provide the Licensee, upon request, with copies of the Licensed Materials for text and data mining purposes without any extra fees.

- (n) Interlibrary Loan. Using electronic, paper, or intermediated means, the Participating Institutions may at their discretion fulfill occasional requests from other institutions, a practice commonly called Interlibrary Loan ("ILL"). The Distributor agrees and ensures that the Publisher will agree that the electronic form of the Licensed Materials may be used as a source for the ILL whereby articles and/or chapters can be printed and these print copies can be delivered

via postal mail, fax, or fax-based service to fulfill ILL requests from an academic, research or other non-commercial library. Requests received from for-profit companies will not be honored. An ILL through secure electronic transmission, as demonstrated by the ARIEL, is permitted. For the avoidance of doubt, such secure electronic transmission could also be fulfilled by any system which satisfies all of the following features: 1) ensures that requesting user (researcher/scholar) is affiliated to eligible institution; 2) enables limiting number of items requested per each journal title over a given period; 3) enables limiting number of requests fulfilled by the delivering library over a given period; 4) before getting access to the delivered pdf file, the requesting scholar (who is fully identifiable) must provably declare his/her full compliance with publisher's intellectual property rights. Limitations imposed in points 1), 2) and 3) of this paragraph could be mutually agreed between Distributor, Publisher and Licensee. Files transmitted in this manner must carry copyright notices and comply with the applicable law.

- (o) Bibliographic Citations. The Participating Institutions and the Authorized Users may use, with appropriate credit given, figures, tables, and brief excerpts from the Licensed Materials in the Participating Institutions' and the Authorized Users' own scientific, scholarly, and educational works. For the avoidance of doubt, the Participating Institutions and the Authorized Users may use citation and abstract information in faculty profiling systems, in lists of publications on faculty and institutional web pages, and to create bibliographies, and store a single copy of an individual document being part of the Licensed Materials, including within secure personal bibliographic reference/citation management systems.

4.4 **No Diminution of Rights.** Nothing in this Agreement, including but not limited to the Authorized Uses, shall be interpreted to diminish the rights and privileges of the Licensee, the Participating Institutions or the Authorized Users with respect to any of the Licensed Materials, including exceptions or limitations regarding the exclusive rights of copyright owners. In the event that any content included in the Licensed Materials is in the public domain or has been issued under a Creative Commons or other open license, neither the Distributor nor the Publisher shall place access, use or other restrictions on that content beyond those found in the open license, where applicable.

4.5 **The Rights of the Author to Use Own Work.** Notwithstanding any terms or conditions to the contrary in any author agreement between authors and the Distributor or the Publisher, authors who are Authorized Users ("**Authors**") whose accepted manuscript version (after peer review and including revisions from the peer review process but before copy-editing and final publication) of any work is accepted for publication by the Distributor or Publisher ("**Content**") during the term of this Agreement shall retain the non-exclusive, irrevocable, worldwide, royalty-free right to use their Content for scholarly and educational purposes (as defined in Section 4.7(a) of this Agreement), including self-archiving or depositing the Content in institutional, subject-based, national or other open repositories or archives (as defined in Section 4.7(b) of this Agreement) (including the author's own web pages or departmental servers) and to comply with all grant or institutional requirements

associated with the Content. The Licensee, the Participating Institutions, the Distributor and the Publisher shall cooperate in the implementation of procedures for the Distributor or Publisher to deposit the Content into the Participating Institutions' institutional repository, or to make the Content available for the Licensee and/or the Participating Institutions to harvest, as they are developed during the term of this Agreement.

4.6 For the avoidance of doubt, it is the intent of the Parties that the Participating Institutions' Authors are third party beneficiaries of the provision in Section 4.5 of this Agreement. Nothing in this section shall eliminate or limit any other rights the Licensee or any Author may have to deposit, host or make available the Content published by the Publisher.

4.7 **Definitions:**

- (a) **Scholarly and educational purposes:** Purposes encompassing teaching, research, and institutional needs, including but not limited to the right to:
- (i) use, reproduce, distribute, perform, and display the Content in connection with teaching, conference presentations, and lectures;
 - (ii) make full use of the Content in future research and publications;
 - (iii) republish, update or revise the Content in whole or in part for later publication;
 - (iv) meet requirements and conditions of research grants or publishing subventions provided by government agencies or non-profit foundations, and;
 - (v) grant to the Author's employing institution some or all of the foregoing rights, as well as permission to use the Content in connection with administrative activities such as accreditation, mandated reports to state governments, and similar purposes.

In all cases, the Author and/or the Author's employing institution will be expected to provide proper citation to the published version.

- (b) **Repositories or archives:** Open-access digital repository services, such as those provided by the Author's employing institution, an academic consortium, a discipline-based entity, or a governmental funding agency.

4.8 **Scope of Authorized Use and Access to Licensed Materials.**

Unlimited Access. Subject to the terms of this Agreement, the Participating Institutions and the Authorized Users shall have unlimited and simultaneous user access to the Licensed Materials.

5. Specific Restrictions on Use of Licensed Materials

5.1 **Unauthorized Use.** The Participating Institutions, or the Authorized Users shall not knowingly permit anyone other than the Authorized Users to access the Licensed Materials.

- 5.2 **Modification of Licensed Materials.** The Participating Institutions or the Authorized Users shall not modify or manipulate the Licensed Materials without the prior written permission of the Publisher.
- 5.3 **Removal of Copyright Notice.** The Participating Institutions or the Authorized Users shall not remove, obscure or modify any copyright or other notices included in the Licensed Materials.
- 5.4 **Commercial Purposes.** The Participating Institutions or the Authorized Users may not use the Licensed Materials for commercial purposes, including but not limited to the sale of the Licensed Materials, fee-for-service use of the Licensed Materials; nor may the Licensee and the Participating Institutions impose special charges on the Authorized Users for use of the Licensed Materials beyond reasonable printing or administrative costs. For the avoidance of doubt, research conducted by the Participating Institutions and Authorized Users that is supported by a commercial entity shall not be considered use for commercial purposes.

6. Mutual Performance Obligations

- 6.1 **Notification and Cure of Unauthorized Use.** In the event the Licensee and/or any of the Participating Institutions becomes aware of an unauthorized use of the Licensed Materials and cannot promptly remedy it, the Licensee or the Participating Institution shall without undue delay notify the Distributor or the Publisher. In the event the Distributor or Publisher becomes aware of unauthorized use of the Licensed Materials, the Distributor shall, or shall ensure that the Publisher will, without undue delay notify the Licensee and the respective Participating Institution in writing.
- 6.2 In the case of unauthorized use, the Publisher may temporarily suspend such offending individual Authorized User's access to the Licensed Materials (e.g. by blocking an individual user's IP address), provided that the Distributor immediately notifies, or shall ensure that the Publisher immediately notifies the Licensee and the respective Participating Institution of any such suspension, including the reason for the suspension and any supporting details. Such temporary suspensions will be only of the shortest possible duration and the maximally limited extent necessary to terminate the unauthorized use and prevent its resumption. In the event that such suspension lasts longer than the shortest period necessary to prevent such unauthorized use, the Distributor is obliged to reimburse the Licensee the respective pro rata part of the Fee (calculated with respect to the actual number of excessively suspended Authorized Users) for the period of duration of such excessive suspension. Any excessive suspension of access to the Licensed Materials can serve as a Licensee's reason for termination of this Agreement pursuant to Section 11 of this Agreement.

7. Performance Obligations

- 7.1 The Distributor will use reasonable efforts to ensure that its or the Publisher's performance will meet or exceed industry standards and practices. Additionally, the Distributor agrees to the following performance standards set out in this Section 7.
- 7.2 The Distributor shall acquaint the Publisher with the content of this Agreement. The Distributor shall ensure that all Distributor's obligations under this Agreement will be fulfilled and that the Publisher will not prevent such fulfillment. The Distributor may under no circumstances exclude or limit its liability due to any lack of cooperation from the Publisher. The Distributor shall ensure that the Publisher will provide its cooperation in duly and timely manner so all obligations stipulated herein may be orderly fulfilled.
- 7.3 **Availability of the Licensed Materials.** Upon the Effective Date (as specified in Section 9.1 of this Agreement), the Distributor shall ensure that the Licensed Materials become available to the Participating Institutions and the Authorized Users.

Should the Effective Date of this Agreement occur after 1 January 2026, Distributor shall ensure that the Publisher will make, or has already made, the Licensed Materials available to the Licensee, the Participating Institutions and Authorized Users in the full scope of the license stipulated herein already as of 1 January 2026 due to the necessity of access to the Licensed Material as of 1 January 2026, to the Participating Institutions and Authorized Users in the full scope of the authorization stipulated herein including all and any possible rights and authorizations such as potential archiving rights, extent of the access to the backfile content of Licensed Materials or Open Access publishing under this Agreement. Performance of the Distributor's obligation to ensure that the Licensed Materials become available before this Agreement takes effect shall be considered entirely as a performance according to and in compliance with this Agreement.

- 7.4 **Discovery of the Licensed Materials.** The Distributor shall ensure that the Publisher will make reasonable efforts to make the Licensed Materials available through the Licensee's and/or the Participating Institutions' user interface and search systems for discovering and displaying content from local, database and web-based sources ("**Discovery Service System**") for indexing and discovery purposes. The Distributor shall make reasonable effort to ensure that the Publisher provides to the Licensee's and/or the Participating Institutions' discovery service vendors on an ongoing basis the citation and complete descriptive metadata (including all subject headings, abstracts, and keywords) and full-text content necessary to facilitate optimal discovery and accessibility of the content for the benefit of the Participating Institutions and the Authorized Users.
- 7.5 **Persistent Linking.** The Distributor shall make reasonable effort to ensure that the Publisher will make reasonable efforts to comply with the most current version of the OpenURL standard (ANSI/NISA Z39.88 or any that replaces it during the term of this Agreement) and will provide a mechanism for persistent links to content.

- 7.6 **Online Terms and Conditions.** In the event that the Distributor or the Publisher requires the Authorized Users to agree to additional terms relating to the use of the Licensed Materials (commonly referred to as "**click-through**" or "**clickwrap**" licenses), or otherwise attempts to impose terms on the Authorized Users through online terms and conditions invoked by the mere use or viewing of the Licensed Materials, such additional terms shall only apply to the Authorized Users who agreed to the respective additional terms. Such additional terms shall not materially differ from the provisions of this Agreement and violation of these additional terms by the Authorized Users will not be considered as breach of this Agreement but merely and exclusively as breach of these additional terms. In the event of any conflict between the additional terms and this Agreement, the terms of this Agreement shall prevail. The Distributor or the Publisher alone shall be liable and responsible for any personal data processing that occurs with respect to these additional online terms and conditions as either the Distributor or the Publisher determines the scope and purpose of such personal data processing. For the avoidance of doubt, the Authorized Users are not a party to this Agreement.
- 7.7 **Documentation.** The Distributor will provide or shall ensure that the Publisher will provide, complete and up-to-date help and operational documentation to the Licensee, the Participating Institutions and the Authorized Users in an electronic format. Such documentation may be provided by means of the Distributor's and/or Publisher's online system and/or system for administrators.
- 7.8 **Support.** The Distributor shall ensure that the Distributor or Publisher will provide activation and installation support, including assisting the Licensee, Participating Institutions and Authorized Users with the implementation of any Publisher software. The Distributor will offer reasonable levels of continuing support to assist the Licensee, Participating Institutions and Authorized Users in the use of the Licensed Materials. The Distributor will make its personnel available by email [REDACTED] and/or phone [REDACTED] during cross section of the Publisher's and the Licensee's and/or the Participating Institutions' regular business hours, Monday through Friday, for feedback, problem-solving, or general questions, and they will respond in a timely manner. If there is a change in a contact for support, either the Distributor or the Publisher will notify the Licensee and the Participating Institutions of such change. The change is effective by the delivery of the notice to the Licensee and the Participating Institutions.
- 7.9 **Training.** The Distributor shall ensure that the Distributor or Publisher will, upon agreement and in a reasonable quantity, provide to the Licensee, the Participating Institutions and the Authorized Users appropriate on-site or online training regarding the use of the Licensed Materials and any Publisher software. The Distributor shall also ensure that the Distributor or the Publisher will provide additional training to the Licensee and the Participating Institutions staff if made necessary by any updates or modifications to the Licensed Materials or any of the Publisher's software.
- 7.10 **Updates.** The Distributor shall ensure that the Publisher will provide and implement regular system and project updates to the Licensee and the Participating Institutions as they become available. No additional fee shall be charged for updates.

- 7.11 **Quality of Service.** The Distributor shall ensure that the Publisher will use all reasonable efforts to ensure that the Publisher's server or servers have sufficient capacity and rate of connectivity to provide the Participating Institutions and their Authorized Users with all the services pursuant to this Agreement at a level exceeding or at least comparable to current standards in the online information provision industry in the Licensee's and the Participating Institutions' locale. The Distributor shall ensure that the Publisher will use reasonable efforts to provide continuous service seven (7) days a week with an average of 98% up-time per month. The 2% down-time can include periodic unavailability due to server maintenance; software installation or testing; loading or making available additional Licensed Materials as they become available. The Distributor shall ensure that the Publisher may schedule brief unavailability periods, but will do so only where (a) it has given at least forty-eight (48) hours' prior notice to the Licensee, and (b) in a way and at times that minimize inconvenience to the Licensee, the Participating Institutions and its Authorized Users, regardless of when notice has been given.
- 7.12 **Problems with Licensed Materials.** If the Licensed Materials fail to operate, display, load, or render in conformance with the terms of this Agreement, the Licensee or the Participating Institution shall immediately notify the Distributor or the Publisher in writing, and the Distributor shall ensure that the Publisher will promptly use best efforts to restore access to the Licensed Materials as soon as possible. In the event that the non-conformity materially affects the Participating Institutions' or the Authorized Users' use of the Licensed Materials, and the Publisher fails to remedy the non-conformity within five (5) business days, the Distributor shall reimburse the Licensee for such problems in an amount that is proportional to the Fee.
- 7.13 **Transfer or Acquisition of Titles.** If any portion of the Licensed Materials is transferred to or acquired from another party, the Distributor shall ensure that the Publisher will use best efforts so the Participating Institutions will not lose access to the Licensed Materials or any rights under this Agreement as a result of the transfer or acquisition. Any archival and perpetual access rights that have been granted shall be retained, whether the Publisher is acting as the transferring or acquiring party. If the Publisher is transferring any portion of the Licensed Materials to another party, the Distributor shall ensure that the Publisher will assign all rights and obligations under this Agreement to the assignee. If the Publisher is acquiring content that will become subject to this Agreement, the Distributor shall ensure that the Publisher will use best efforts to acquire the rights necessary for its performance under this Agreement, including but not limited to perpetual access rights. The Distributor shall ensure that the Publisher will provide the relevant party with all the relevant payment and rights information. For journal titles, the Distributor shall ensure that the Publisher will comply with the NISO Transfer Code of Practice.¹
- 7.14 **Completeness of Content.** The Distributor shall use reasonable efforts to ensure that the Distributor or the Publisher will inform the Licensee and/or Participating

Institutions of instances where the online content differs from print versions of the Licensed Materials. Where applicable, the Distributor shall use reasonable efforts to ensure that the Distributor or the Publisher will cooperate with the Licensee and the Participating Institutions to identify and correct content errors or omissions, and when necessary, the Distributor shall use reasonable efforts to ensure that the Publisher will use reasonable efforts to ensure that the online content: (1) is at least as complete as the print and other physical format versions of the Licensed Materials; and (2) represents complete, accurate, and timely replications of the corresponding content contained within the print and other physical format versions of such Licensed Materials.

- 7.15 In order to facilitate the assessment of completeness of content, the Distributor shall use reasonable efforts to ensure that the Publisher will provide upon the Licensee's request a report of the content in the Licensed Materials at the title, issue, chapter, or item level. The Distributor shall ensure that the Publisher will disclose to the Licensee content known or found to be missing from the Licensed Materials, including but not limited to images, pages, issues, and chapters.
- 7.16 If the online content is a digitized version of the print content and differs from the print or other physical format versions of the Licensed Materials so as to be substantially less useful to the Licensee, the Participating Institutions or their Authorized Users, the Licensee may seek to terminate this Agreement for breach pursuant to Section 11 of this Agreement.
- 7.17 **Notification of Modifications of Licensed Materials.** From time to time, the Publisher may add, change, or modify portions of the Licensed Materials, or migrate the Licensed Materials to other formats. When such changes, modifications, or migrations occur, the Distributor shall use reasonable efforts to ensure that the Publisher will give prior written notice of any such changes to the Licensee and the Participating Institutions as soon as is practicable, but in no event less than sixty (60) days in advance of such event. If any of the changes, modifications, or migrations render the Licensed Materials substantially less useful to the Participating Institutions or their Authorized Users, the Licensee may seek to terminate this Agreement for breach pursuant to Section 11 of this Agreement.
- 7.18 **Withdrawal of Licensed Materials.** The Publisher reserves the right to withdraw from the Licensed Materials any item or part of an item for which it no longer retains the right to publish, or which it has reasonable grounds to believe infringes copyright or is defamatory, obscene, unlawful, or otherwise objectionable. The Distributor shall ensure that the Distributor or the Publisher will give prior written notice of the withdrawal to the Licensee and the Participating Institutions as soon as is practicable, but in no event less than thirty (30) days in advance of such withdrawal, specifying the item or items to be withdrawn.
- 7.19 If any such withdrawal renders the Licensed Materials less useful to the Participating Institutions or the Authorized Users, the Distributor shall reimburse the Licensee for the withdrawal in an amount proportional to the Fee. If any such withdrawal renders the Licensed Materials substantially less useful to the Licensee, the Participating

Institutions or their Authorized Users, the Licensee may seek to terminate this Agreement for breach pursuant to Section 11 of this Agreement.

- 7.20 **Itemized Holdings/Title List.** Prior to the beginning of every calendar year, the Distributor or the Publisher will provide the Licensee with the current itemized holdings report that will specify the titles included in the Licensed Materials for the next Subscription Period (as specified in Section 9.3 of this Agreement). The Distributor shall ensure that the Publisher will use reasonable efforts to update itemized holdings reports as soon as is practicable when the holdings information changes, and will provide this information in a timely manner and to the Licensee on request. This information may also be provided by means of a Publisher's website. If the Licensed Materials include content covered by the NISO Knowledge Bases And Related Tools (KBART) Recommended Practice,² the Distributor or the Publisher shall use reasonable efforts to provide itemized holdings lists for the Licensed Materials in a KBART-compliant format, including a column/field for dates (YYYY-MM) of additions.
- 7.21 **Usage Statistics.** The Distributor shall use reasonable efforts to ensure that the Publisher will provide access to both composite system-wide use data and itemized data for the Licensee, the Participating Institutions on a monthly basis. The statistics shall meet or exceed the most recent project Counting Online Usage of Networked Electronic Resources ("COUNTER") Code of Practice Release,³ including but not limited to its provisions on customer confidentiality. When a release of a new COUNTER Code of Practice is issued, the Distributor shall ensure that the Publisher will use reasonable efforts to comply with the implementation time frame specified by COUNTER to provide usage statistics in the new standard format. It is more than desirable that the Standardized Usage Statistics Harvesting Initiative (SUSHI) Protocol⁴ is available for the Licensee to harvest the statistics.
- 7.22 Neither the Distributor nor the Publisher shall provide the Licensee's usage statistics in any form to any third party without the Licensee's prior written consent, unless the third party owns rights in the Licensed Materials; in such case the Distributor shall ensure that the usage statistics will not be provided to any other third party. The Distributor shall not provide and shall ensure that the Publisher will also not provide usage statistics of any Participating Institution in any form to any third party (with the exception of the Licensee) without the Participating Institution's prior written consent, unless the third party owns rights in the Licensed Materials. In all cases, the disclosure of such data shall fully protect the anonymity of individual users and the confidentiality of their searches, and will comply with all applicable privacy legislation. Neither the Distributor nor the Publisher shall disclose or sell to any third party usage data or information about the Licensee, any Participating Institution or the Authorized Users without the Licensee's and/or the relevant Participating Institution's prior written consent or unless specifically required by law.

- 11.5 **Termination for closure/merger of Participating Institution.** In the event that any Participating Institution undergoes a merger, dissolution, division, spin-off or other corporate transformation during the term of this Agreement, the Licensee shall be entitled to terminate the Agreement for such Participating Institution with immediate effect and to a proportional reduction of the Fee corresponding to the unused portion of the Subscription Period for such Participating Institution. The Parties may include the price for the licenses for these Potential Participating Institutions in the Appendix B.

23. Severability

23.1 If any provision or provisions of this Agreement shall be held to be invalid, illegal, unenforceable or in conflict with the law, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.
