In consideration of the mutual promises contained herein and other good and valuable considerations, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

## 1. Representation, Subject of the Agreement, Content of Licensed Materials; Grant of License

- 1.1 **Representation.** The Distributor hereby represents and warrants that it has all the authority, competence and license to grant a license to the Licensed Materials to the Licensee as defined in this Agreement. Where the performance of the Distributor's obligation depends on the activity and/or cooperation of the Publisher, the Distributor shall ensure and is liable for any violation of the rights and/or obligations stipulated herein as a result of the activity or inactivity of the Publisher and this can serve as a reason for termination of this Agreement pursuant to Section 11 should Distributor fail or refuse to secure needed rights, activity and/or cooperation from Publisher after written notification by Licensee.
- 1.2 **Subject of the Agreement.** The subject of this Agreement is to define the conditions of cooperation and the rights and duties of the Parties while providing the Licensed Materials to the Licensee and the Participating Institutions as defined in this Agreement.
- 1.3 **Licensed Materials.** The materials that are the subject of this Agreement are set forth in Appendix A ("**Licensed Materials**").
- 1.4 **Grant of License.** The Distributor hereby grants to the Licensee a non-exclusive, non-transferable (except the sublicenses authorized by this Agreement), system-wide right to use the Licensed Materials pursuant to this Agreement, limited to the territory of the Czech Republic. The Licensee is entitled to grant the sublicenses authorized by this Agreement to the Participating Institutions in order to provide the Licensed Materials to the Authorized Users (as defined in Section 4.1 of this Agreement) of the Participating Institutions in accordance with the terms of this Agreement.
- 1.5 **Ownership of Intellectual Property.** Nothing in this Agreement shall be construed, interpreted or understood as transfer of ownership of any copyright, trademarks, service marks or any other intellectual property from the Distributor or its suppliers to the Licensee or the Authorized Users.

## 2. Delivery & Access

- 2.1 The Distributor will provide the Licensed Materials to the Licensee and to the Participating Institutions in the following manner:

Network Access. The Licensed Materials will be stored at one or more of the Publisher's locations in digital form accessible by telecommunication links between such locations and authorized locations of the Licensee and the Participating Institutions.

## 3. Fees

- 3.1 **Fees and Payment.** The Licensee shall pay the Distributor a fee for the license concerning the Licensed Materials pursuant to the terms set forth in Appendix A based on an invoice issued by the Distributor ("**Fee**"). All Fees are due and payable by the Licensee by 30 May of the respective calendar year, unless otherwise stipulated in Appendix A.
- 3.2 **Incomplete Payment.** The Licensee may cover the invoice partially if a Participating Institution did not provide its financial contribution in time. In the event of such incomplete payment, the Licensee will notify the Distributor in writing of the intended difference no less than ten (10) days prior to the due date. In such case the Licensee is not in delay with the payment and the Distributor or the Publisher may suspend the IP addresses of such Participating Institution until the Fee is completely paid.
- 3.3 **Change of number of Participating Institutions listed in Appendix B.** In case any Participating Institution shall lose its status as a Participating Institution or in case any Potential Participating Institution and/or new scientific (or similar) institution shall reveal its intent to become a Participating Institution, the Distributor shall enter into negotiations with the Licensee to amend this Agreement and to correspondingly renegotiate the Fee. Removal of Participating Institutions may only take place at the end of a complete subscription year with exceptions stipulated in Article 11. New Participating Institutions may be added during a subscription year and pro rata charges may apply.

## 4. Authorized Use of Licensed Materials

- 4.1 **Authorized Users.** "**Authorized Users**" are:

(a) Persons affiliated with the Participating Institutions. Full and part-time employees faculty, staff and students of the Participating Institutions, regardless of the physical location of such persons. For authorized sites of the Participating Institutions, see Appendix B. Should the Licensee be listed in the Appendix B as the Participating Institution, all provisions concerning the Participating Institution and the Authorized Users shall apply also with respect to the Licensee. Licensee and Participating Institutions may elect to use proxy servers to allow Authorized

Users to access the applicable Licensed Materials remotely through the Authorized Sites. If Licensee elects to provide such remote access, Licensee will strictly limit such access only to Authorized Users through a secure method of user verification. Licensee will immediately notify the Distributor and the Publisher if it believes unauthorized access of any Licensed Materials has occurred.

- (b) Walk-ins. Persons not affiliated with the Participating Institutions who are physically present at the Participating Institutions' site(s) ("**Walk-ins**").

4.2 **Access by and Authentication of Authorized Users.** Authorized Users of the Participating Institutions shall be granted access to the Licensed Materials pursuant to the following:

- (a) IP Addresses. Authorized Users shall be identified and authenticated by the use of Internet Protocol ("**IP**") addresses provided by the Licensee to the Distributor. The use of proxy servers by the Licensee or the Participating Institutions is authorized as long as any proxy server IP addresses provided limit remote or off-campus access to the Authorized Users. Authorized IP Addresses are listed in Appendix C. An updated list will be sent to the Distributor on an annual or as-needed basis without the need to amend this Agreement. Alternatively, if the Publisher is utilizing its own and/or third-party system for IP range change notification, then an updated list may be sent via such system instead. The Distributor shall ensure that the Publisher shall use reasonable efforts to cooperate with the Participating Institutions in the implementation of new authentication protocols and procedures (such as Shibboleth) as they are developed during the term of this Agreement. Both the Licensee and the Distributor will provide cooperation to coordinate or facilitate this process but they will not be liable for correct implementation of such authentication protocols and procedures (which remain the full responsibility of the Publisher and the respective Participating Institution).
- (b) Publisher - Administered Authentication. Where the Publisher provides alternative methods of access and authentication beyond the Licensee-administered methods described herein when logging in to a website of the Publisher or device authentication, which affiliates the device or application by use of a vendor-managed proxy prefix, neither the Licensee nor any Participating Institution will be responsible or liable for claims of breach or validity of such use except such breach is as a result of the Licensee and/or the Participating Institution acts and/or omissions. Neither the Licensee nor any of the Participating Institutions shall be responsible or liable for the processing of personally identifiable information (personal data) by the Distributor or Publisher in this matter as this remains its full liability.
- (c) Personally Identifiable Information (Personal Data) of Authorized Users. The Licensee, the Distributor and the Publisher together and individually acknowledge and agree that the Licensee neither transfers nor provides any personally identifiable information (personal data) of the Authorized Users to the Distributor.

Access to the Licensed Materials is primarily granted via IP Addresses pursuant to Section 4.2(a) of this Agreement which prevent any identification of the Authorized User. In case of the Distributor or the Publisher - Administered Authentication pursuant to Section 4.2(b) of this Agreement, the Distributor and the Publisher are required to ensure lawful processing of any personally identifiable information (personal data). This does not preclude the Licensee to hand over the contact details of the Participating Institutions' contact persons or other personal data where the Licensee has a valid legal basis therefor.

- 4.3 **Authorized Uses.** The Participating Institutions and the Authorized Users may make all use of the Licensed Materials as is consistent with the applicable law and with this Agreement, subject to the licensing conditions set forth in this Agreement ("**Authorized Uses**"). In addition, the Licensed Materials may be used for purposes of research, education or other non-commercial use as particularly follows:

  - (b) **Digital Copy.** The Participating Institutions and Authorized Users may download and digitally copy a reasonable portion of the Licensed Materials.
  - (c) **Print Copy.** The Participating Institutions and the Authorized Users may print a reasonable portion of the Licensed Materials.
  - (d) **Recover Copying Costs.** The Participating Institutions may impose a reasonable fee on the Authorized Users to cover costs of copying or printing portions of the Licensed Materials by or for the Authorized Users.
  - (e) **Archival/Backup Copy.** The Publisher may update, modify, or replace the relevant Licensed Materials (including any content therein) from time to time, and any such updates, modifications or replacements will apply to the Licensee. The Publisher may discontinue offering access to any of the Licensed Materials, and any such discontinuation will apply to this Agreement. The Distributor will use commercially reasonable efforts to provide, or to cause the Publisher to provide, advance notice to the Licensee of any such discontinuation. For perpetual access basis Licensed Materials, Distributor will provide to Licensee, or will cause the Publisher to provide Licensee, upon Licensee's request, an electronic copy of the discontinued Licensed Materials, subject to Licensee's payment of a media, fulfillment, and/or delivery fee and Licensee's execution of an additional agreement.
  - (f) **Caching.** The Participating Institutions and the Authorized Users are authorized in the course of an automatic process of an internet browser or any other software to make temporary local digital copies of the Licensed Materials in order to ensure proper operation and use of such internet browser or for proper functioning of such software. For the avoidance of doubt, the cached copy is not a derivative work.

- (g) Classroom Use. Only for content owned by or exclusively licensed to Wolters Kluwer Health, Inc. the Participating Institutions and the Authorized Users may distribute single copies of individual articles or items of the Licensed Materials in print or electronic form to the Authorized Users. For the avoidance of doubt, classroom handouts shall include the distribution of a copy for teaching purposes to all individual Authorized Users in a class at Authorized Sites (Appendix B).
- (h) Collections of Information. The Participating Institutions and the Authorized Users shall be permitted to extract or use information contained in the Licensed Materials for educational, scientific, or research purposes, including extraction and manipulation of information for the purpose of illustration, explanation, example, comment, criticism, teaching, research, or analysis.
- (i) Course Packs (Print and Electronic). Only for content owned by or exclusively licensed to Wolters Kluwer Health, Inc. (as further specified in Appendix A), the Participating Institutions and the Authorized Users may use a reasonable portion of the Licensed Materials in the preparation of a packet of the materials used in the classroom ("**Course Packs**") or other educational materials. For other content, Licensed Materials can be incorporated into Course Packs only through the use of Jumpstarts. For purposes of this Agreement, "Jumpstarts" shall be defined as links from Licensee's web pages to virtually any point within and Ovid session.
- (j) Course Reserves (Print and Electronic). The Participating Institutions and the Authorized Users may use a reasonable portion of the Licensed Materials in connection with specific courses of instruction offered by the Participating Institutions.
- (k) Electronic Links. The Participating Institutions and the Authorized Users may provide hyperlinks from the Participating Institutions' and the Authorized Users' web page(s) or website(s) to individual units of content within the Licensed Materials.
- (l) Scholarly Sharing. Only for content owned by or exclusively licensed to Wolters Kluwer Health, Inc. on an ad hoc basis, the Authorized Users may transmit to a third party, in hard copy or electronically, minimal, insubstantial amounts of the Licensed Materials for personal use or scholarly, educational, or scientific research or professional use in the nature of collaboration, comment, or scholarly exchange of ideas but in no case for resale or commercial purposes or in a manner that would substitute for direct access to the Licensed Materials via services offered by the Distributor and/or the Publisher.
- (m) Text and Data Mining. The parties acknowledge that, under Directive (EU) 2019/790, including Articles 3 and 7, as implemented in the Czech Republic, text and data mining ("TDM") constitutes a *use right* available to users as an exception to copyright exclusive right of the copyright rightholders. TDM does **not** constitute a delivery obligation on the part of the Provider.

For the purposes of this Agreement, TDM shall have the meaning set out in Article 2 of Directive (EU) 2019/790:

“‘text and data mining’ means any automated analytical technique aimed at analysing text and data in digital form in order to generate information which includes but is not limited to patterns, trends and correlations.”

The above TDM definition applies **exclusively** to automated analytical techniques as described in Article 2. It does **not** extend to or include the use of generative artificial intelligence, large language models, or any related methods of algorithmic content processing. Any project involving generative AI techniques must be requested separately, expressly, and independently from TDM requests.

- a. **TDM activities on request.** The Licensee shall submit a **separate written request** for each TDM project, specifying the intended purpose, scope, duration, and Authorized User(s).
- b. Each project is subject to the Publisher’s **prior written approval**. Approval may be granted or withheld at the Publisher’s discretion.
- c. Upon approval, Authorized User(s) may access the approved content **solely via the Publisher’s API** and solely for the approved project purposes.
- d. The Licensee shall pay a **cost-recovery fee** for API delivery and processing of content for each approved project, in accordance with the Publisher’s then-current fee schedule.
- e. Upon completion or termination of the project, the authorized user(s) must **delete all received content**, and certify such deletion to the Publisher in writing upon request.

Except as expressly permitted in this section, no rights to copy, extract, reproduce, or retain Publisher content are granted for TDM or any other purpose. All rights not expressly granted remain reserved to the Publisher.

Nothing in this Agreement, and in this Section in particular, shall limit, restrict, deprive or otherwise affect the rights of Authorized Users related to TDM (whether conducted on-request or otherwise) arising directly from Directive (EU) 2019/790, as implemented in the applicable laws of the Czech Republic.

- (n) Interlibrary Loan. Using secure electronic transmission (excluding email), paper, or intermediated means, the Participating Institutions may at their discretion fulfill occasional requests from other institutions, a practice commonly called Interlibrary Loan (“**ILL**”). The Distributor agrees and ensures that the Publisher will agree that the electronic form of the Licensed Materials may be used as a source for the ILL whereby articles and/or chapters can be printed and these print copies can be delivered via postal mail, fax, or fax-based service to fulfill ILL requests from an academic, research or other non-commercial library. Requests received from for-profit companies will not be honored. An ILL through secure electronic transmission, as demonstrated by the ARIEL, is permitted. For the avoidance of doubt, such secure electronic transmission could also be fulfilled by any system which satisfies all of the following features: 1) ensures that

requesting user (researcher/scholar) is affiliated to eligible institution; 2) enables limiting number of items requested per each journal title over a given period; 3) enables limiting number of requests fulfilled by the delivering library over a given period; 4) before getting access to the delivered pdf file, the requesting scholar (who is fully identifiable) must provably declare his/her full compliance with publisher's intellectual property rights. Limitations imposed in points 1), 2) and 3) of this paragraph could be mutually agreed between Distributor, Publisher and Licensee. Files transmitted in this manner must carry copyright notices and comply with the applicable law.

- (o) **Bibliographic Citations.** The Authorized Users may use, with appropriate credit given, figures, tables, and brief excerpts from the Licensed Materials in the Authorized Users' own scientific, scholarly, and educational works. For the avoidance of doubt, the Authorized Users may use citation and abstract information in faculty profiling systems, in lists of publications on faculty and institutional web pages, and to create bibliographies, and store a single copy of an individual document being part of the Licensed Materials, including within secure personal bibliographic reference/citation management systems.

4.4 **No Diminution of Rights.** Nothing in this Agreement, including but not limited to the Authorized Uses, shall be interpreted to diminish the rights and privileges of the Licensee, the Participating Institutions or the Authorized Users with respect to any of the Licensed Materials, including exceptions or limitations regarding the exclusive rights of copyright owners. In the event that any content included in the Licensed Materials is in the public domain or has been issued under a Creative Commons or other open license, neither the Distributor shall, and the Distributor shall cause the Publisher not to place access, use or other restrictions on that content beyond those found in the open license, where applicable.

4.5 **The Rights of the Author to Use Own Work.** INTENTIONALLY OMITTED.

4.6 INTENTIONALLY OMITTED.

4.7 INTENTIONALLY OMITTED.

4.8 **Scope of Authorized Use and Access to Licensed Materials.**

Licensed Access. Subject to the terms of this Agreement, the Participating Institutions and the Authorized Users shall have access to the Licensed Materials up to the number of simultaneous users specified in Appendix A.

## 5. Specific Restrictions on Use of Licensed Materials

5.1 **Unauthorized Use.** Neither Licensee, any Participating Institution, nor any Authorized User shall knowingly permit anyone other than the Authorized Users to access the Licensed Materials.

- 5.2 **Modification of Licensed Materials.** Neither Licensee, any Participating Institution or any Authorized User shall modify or manipulate the Licensed Materials without the prior written permission of the Publisher.
- 5.3 **Removal of Copyright Notice.** Neither Licensee, any Participating Institution nor any Authorized User may remove, obscure or modify any copyright or other notices included in the Licensed Materials.
- 5.4 **Commercial Purposes.** Neither Licensee, any Participating Institution nor any Authorized User may use the Licensed Materials for commercial purposes, including but not limited to the sale of the Licensed Materials, fee-for-service use of the Licensed Materials; nor may the Licensee and the Participating Institutions impose special charges on the Authorized Users for use of the Licensed Materials beyond reasonable printing or administrative costs. For the avoidance of doubt, research conducted by the Participating Institutions and Authorized Users that is supported by a commercial entity shall not be considered use for commercial purposes.

## 6. Mutual Performance Obligations

- 6.1 **Notification and Cure of Unauthorized Use.** In the event the Licensee and/or any of the Participating Institutions becomes aware of an unauthorized use of the Licensed Materials and cannot promptly remedy it, the Licensee or the Participating Institution shall without undue delay notify the Distributor and the Publisher. In the event the Distributor becomes aware of unauthorized use of the Licensed Materials, the Distributor shall, or shall ensure that the Publisher will, without undue delay notify the Licensee and the respective Participating Institution in writing.
- 6.2 In the case of unauthorized use the Licensee acknowledges that the Publisher may temporarily suspend such offending individual Authorized User's access to the Licensed Materials (e.g. by blocking an individual user's IP address), provided that the Distributor will use commercially reasonable efforts to cause the Publisher to notify, without undue delay, the Licensee and the respective Participating Institution of any such suspension, including the reason for the suspension and any supporting details. Such temporary suspensions will be only of the shortest possible duration and the maximally limited extent necessary to terminate the unauthorized use and prevent its resumption. In the event that such suspension lasts longer than the shortest period necessary to prevent such unauthorized use, the Distributor is obliged to reimburse the Licensee the respective pro rata part of the Fee (calculated with respect to the actual number of excessively suspended Authorized Users) for the period of duration of such excessive suspension. Any excessive suspension of access to the Licensed Materials can serve as a Licensee's reason for termination of this Agreement pursuant to Section 11 of this Agreement.

## 7. Performance Obligations

- 7.1 The Distributor will use reasonable efforts to ensure that its or the Publisher's performance will meet or exceed industry standards and practices. Additionally, the Distributor agrees to the following performance standards set out in this Section 7.
- 7.2 The Distributor shall acquaint the Publisher with the content of this Agreement. The Distributor may under no circumstances exclude or limit its liability due to any lack of cooperation from the Publisher. The Distributor shall ensure that the Publisher will use commercially reasonable efforts to provide its cooperation in duly and timely manner so all obligations stipulated herein may be orderly fulfilled.
- 7.3 **Availability of the Licensed Materials.** Upon the Effective Date (as specified in Section 9.1 of this Agreement), the Distributor shall ensure that the Licensed Materials become available to the Participating Institutions and the Authorized Users.

Should the Effective Date of this Agreement occur after 1 January 2026, Distributor shall ensure that the Publisher will make, or has already made, the Licensed Materials available to the Licensee, the Participating Institutions and Authorized Users in the full scope of the license stipulated herein already as of 1 January 2026 due to the necessity of access to the Licensed Material as of 1 January 2026, to the Participating Institutions and Authorized Users in the full scope of the authorization stipulated herein including all and any possible rights and authorizations such as potential archiving rights, extent of the access to the backfile content of Licensed Materials or Open Access publishing under this Agreement. Performance of the Distributor's obligation to ensure that the Licensed Materials become available before this Agreement takes effect shall be considered entirely as a performance according to and in compliance with this Agreement.

- 7.4 **Discovery of the Licensed Materials.** Where the owner of the Licensed Materials has granted such right to the Publisher, the Distributor shall make reasonable effort to ensure that the Publisher will make the Licensed Materials available through the Licensee's and/or the Participating Institutions' user interface and search systems for discovering and displaying content from local, database and web-based sources ("**Discovery Service System**") for indexing and discovery purposes. The Distributor shall make reasonable effort to ensure that the Publisher will provide to the Licensee's and/or the Participating Institutions' discovery service vendors on an ongoing basis the citation and complete descriptive metadata (including all subject headings, abstracts, and keywords) and full-text content necessary to facilitate optimal discovery and accessibility of the content for the benefit of the Participating Institutions and the Authorized Users.
- 7.5 **Persistent Linking.** The Distributor shall make reasonable effort to ensure that the Publisher will make reasonable efforts to comply with the most current version of the OpenURL standard (ANSI/NISA Z39.88 or any that replaces it during the term of this Agreement) and will provide a mechanism for persistent links to content.

- 7.6 **Online Terms and Conditions.** In the event that the Distributor or the Publisher requires the Authorized Users to agree to additional terms relating to the use of the Licensed Materials (commonly referred to as "**click-through**" or "**clickwrap**" licenses), or otherwise attempts to impose terms on the Authorized Users through online terms and conditions invoked by the mere use or viewing of the Licensed Materials, such additional terms shall only apply to the Authorized Users who agreed to the respective additional terms. In the event of any conflict between the additional terms and this Agreement, the terms of this Agreement shall prevail. The Distributor or the Publisher alone shall be liable and responsible for any personal data processing that occurs with respect to these additional online terms and conditions as either the Distributor or the Publisher determines the scope and purpose of such personal data processing. For the avoidance of doubt, the Authorized Users are not a party to this Agreement.
- 7.7 **Documentation.** The Distributor will provide or shall ensure that the Publisher will use commercially reasonable efforts to provide, complete and up-to-date help and operational documentation to the Licensee, the Participating Institutions and the Authorized Users in an electronic format. Such documentation may be provided by means of the Distributor's and/or Publisher's online system and/or system for administrators.
- 7.8 **Support.** The Distributor shall ensure that the Distributor or Publisher will provide activation and installation support, including assisting the Licensee, Participating Institutions and Authorized Users with the implementation of any Publisher software. The Distributor will offer reasonable levels of continuing support to assist the Licensee, Participating Institutions and Authorized Users in the use of the Licensed Materials. The Distributor shall ensure that the Distributor will make its personnel available by email [REDACTED] and/or phone [REDACTED] during cross section of the Licensee's and/or the Participating Institutions' regular business hours, Monday through Friday, for feedback, problem-solving, or general questions, and they will respond in a timely manner. If there is a change in a contact for support, the Distributor will notify the Licensee and the Participating Institutions of such change. The change is effective by the delivery of the notice to the Licensee and the Participating Institutions.
- 7.9 **Training.** The Distributor shall ensure that the Distributor or Publisher will, upon agreement and in a reasonable quantity, provide to the Licensee, the Participating Institutions and the Authorized Users appropriate on-site or online training regarding the use of the Licensed Materials and any Publisher software. The Distributor shall also ensure that the Distributor or the Publisher will provide additional training to the Licensee and the Participating Institutions staff if made necessary by any updates or modifications to the Licensed Materials or any of the Publisher's software.
- 7.10 **Updates.** The Distributor shall ensure that the Publisher will provide and implement regular system and project updates to the Licensee and the Participating Institutions as they become available. No additional fee shall be charged for updates.

- 7.11 **Quality of Service.** The Distributor shall use reasonable efforts to ensure that the Publisher will use reasonable efforts to ensure that the Publisher's server or servers have sufficient capacity and rate of connectivity to provide the Participating Institutions and their Authorized Users with all the services pursuant to this Agreement at a level comparable to current standards in the online information provision industry in the Licensee's and the Participating Institutions' locale. The Distributor shall ensure that the Publisher will use reasonable efforts to provide continuous service seven (7) days a week with an average of 98% up-time per month. The 2% down-time can include periodic unavailability due to server maintenance; software installation or testing; loading or making available additional Licensed Materials as they become available. The Licensee and each Participating Institution acknowledges that the Publisher may schedule brief unavailability periods, provided that the Distributor will, or will cause the Publisher to, use commercially reasonable efforts to give at least forty-eight (48) hours' prior notice to the Licensee. The Distributor will use commercially reasonable efforts to ensure that the Publisher performs such maintenance in a way and at times that minimize inconvenience to the Licensee, the Participating Institutions and its Authorized Users, regardless of when notice has been given.
- 7.12 **Problems with Licensed Materials.** If the Licensed Materials fail to operate, display, load, or render in conformance with the terms of this Agreement, the Licensee or the Participating Institution shall immediately notify the Distributor in writing, and the Distributor shall ensure that the Publisher will promptly use reasonable efforts to restore access to the Licensed Materials as soon as possible. In the event that the non-conformity materially affects the Participating Institutions' or the Authorized Users' use of the Licensed Materials, and the Publisher fails to remedy the non-conformity within five (5) business days, the Distributor shall reimburse the Licensee for such problems in an amount that is proportional to the Fee.
- 7.13 **Transfer or Acquisition of Titles.** If any portion of the Licensed Materials is transferred to or acquired from another party, the Distributor shall ensure that the Publisher will use reasonable efforts to ensure that the Participating Institutions will not lose access to the Licensed Materials or any rights under this Agreement as a result of the transfer or acquisition. Any archival and perpetual access rights that have been granted shall be retained, whether the Publisher is acting as the transferring or acquiring party. If the Publisher is transferring any portion of the Licensed Materials to another party, the Distributor shall ensure that the Publisher will use reasonable efforts to assign all rights and obligations under this Agreement to the assignee. If the Publisher is acquiring content that will become subject to this Agreement, the Distributor shall ensure that the Publisher will use reasonable efforts to acquire the rights necessary for its performance under this Agreement, including but not limited to perpetual access rights. The Distributor shall ensure that the Publisher will use reasonable efforts to provide the relevant party with all the relevant payment and rights information. For journal titles, the Distributor shall ensure that the Publisher will comply with the NISO Transfer Code of Practice.<sup>1</sup>

- 7.14 **Completeness of Content.** The Distributor shall use reasonable efforts to ensure that the Distributor or the Publisher will inform the Licensee and/or Participating Institutions of instances where the online content differs from print versions of the Licensed Materials. Where applicable, the Distributor shall ensure that the Distributor or the Publisher will use reasonable efforts to cooperate with the Licensee and the Participating Institutions to identify and correct content errors or omissions, and when necessary, the Distributor shall ensure that the Publisher will use reasonable efforts to ensure that the online content: (1) is at least as complete as the print and other physical format versions of the Licensed Materials; and (2) represents complete, accurate, and timely replications of the corresponding content contained within the print and other physical format versions of such Licensed Materials.
- 7.15 In order to facilitate the assessment of completeness of content, the Distributor shall use reasonable efforts to ensure that the Publisher will provide upon the Licensee's request a report of the content in the Licensed Materials at the title, issue, chapter, or item level. The Distributor shall ensure that the Publisher will use reasonable efforts to disclose to the Licensee content known or found to be missing from the Licensed Materials, including but not limited to images, pages, issues, and chapters.
- 7.16 If the online content is a digitized version of the print content and differs from the print or other physical format versions of the Licensed Materials so as to be substantially less useful to the Licensee, the Participating Institutions or their Authorized Users, the Licensee may seek to terminate this Agreement for breach pursuant to Section 11 of this Agreement.
- 7.17 **Notification of Modifications of Licensed Materials.** The Licensee acknowledges that from time to time, the Publisher may add, change, or modify portions of the Licensed Materials, or migrate the Licensed Materials to other formats. When such changes, modifications, or migrations occur, the Distributor shall will use reasonable efforts to ensure that the Publisher will use commercially reasonable efforts to give written notice of any such changes to the Licensee and the Participating Institutions as soon as is practicable, but in no event less than sixty (60) days in advance of such event. If any of the changes, modifications, or migrations render the Licensed Materials substantially less useful to the Participating Institutions or their Authorized Users, the Licensee may seek to terminate this Agreement for breach pursuant to Section 11 of this Agreement.
- 7.18 **Withdrawal of Licensed Materials.** The Publisher reserves the right to withdraw from the Licensed Materials any item or part of an item for which it no longer retains the right to publish, or which it has reasonable grounds to believe infringes copyright or is defamatory, obscene, unlawful, or otherwise objectionable. The Distributor shall ensure that the Distributor or the Publisher will use commercially reasonable efforts to give written notice of the withdrawal to the Licensee as soon as is practicable, specifying the item or items to be withdrawn.
- 7.19 If any such withdrawal renders the Licensed Materials less useful to the Participating Institutions or the Authorized Users, the Distributor shall reimburse the Licensee for

the withdrawal in a pro-rata amount proportional to the Fee. If any such withdrawal renders the Licensed Materials substantially less useful to the Licensee, the Participating Institutions or their Authorized Users, the Licensee may seek to terminate this Agreement for breach pursuant to Section 11 of this Agreement.

- 7.20 **Itemized Holdings/Title List.** Prior to the beginning of every calendar year, the Distributor will, or will cause the Publisher to provide the Licensee with the current itemized holdings report that will specify the titles included in the Licensed Materials for the next Subscription Period (as specified in Section 9.3 of this Agreement). The Distributor shall ensure that the Publisher will use reasonable efforts to update itemized holdings reports as soon as is practicable when the holdings information changes, and will provide this information in a timely manner and to the Licensee on request. This information may also be provided by means of a Publisher's website. If the Licensed Materials include content covered by the NISO Knowledge Bases And Related Tools (KBART) Recommended Practice,<sup>2</sup> the Distributor shall use a reasonable efforts to ensure that the Distributor or the Publisher will provide itemized holdings lists for the Licensed Materials in a KBART-compliant format, including a column/field for dates (YYYY-MM) of additions.
- 7.21 **Usage Statistics.** The Distributor shall use reasonable efforts to ensure that the Publisher will provide access to both composite system-wide use data and itemized data for the Licensee, and the Participating Institutions, on a monthly basis. The statistics shall meet or exceed the most recent project Counting Online Usage of NeTworked Electronic Resources ("COUNTER") Code of Practice Release,<sup>3</sup> including but not limited to its provisions on customer confidentiality. When a release of a new COUNTER Code of Practice is issued, the Distributor shall ensure that the Publisher will use commercially reasonable efforts to comply with the implementation time frame specified by COUNTER to provide usage statistics in the new standard format. The Distributor will cause the Publisher to make the Standardized Usage Statistics Harvesting Initiative (SUSHI) Protocol<sup>4</sup> available to the Licensee.
- 7.22 Neither the Distributor nor the Publisher shall provide the Licensee's usage statistics in any form to any third party without the Licensee's prior written consent, unless the third party owns rights in the Licensed Materials; in such case the Distributor shall ensure that the usage statistics will not be provided to any other third party. The Distributor shall not provide and shall ensure that the Publisher will also not provide usage statistics of any Participating Institution in any form to any third party (with the exception of the Licensee) without the Participating Institution's prior written consent, unless the third party owns rights in the Licensed Materials. In all cases, the disclosure of such data shall fully protect the anonymity of individual users and the confidentiality of their searches, and will comply with all applicable privacy legislation. In no event may such DRM technology be used in a way that would limit the usage rights of the Participating Institution or any Authorized User as specified in this Agreement or under applicable law. If the use of DRM renders the Licensed Materials substantially less useful to the Participating Institutions or their Authorized Users, the Licensee may seek to terminate this Agreement for breach pursuant to Section 11 of this Agreement.
- 7.25 **Use of Digital Watermarking Technology.** In the event that either the Distributor or the Publisher utilizes any type of watermarking technology for any element of the Licensed Materials, the Distributor shall use reasonable efforts to ensure that the Publisher agrees that the watermarks may not reduce the readability of the content or degrade image quality. Such watermarks shall not contain user-related information, including but not limited to an account number, IP address, and usernames. If digital watermarking technology is implemented, the Distributor will notify or shall ensure that the Publisher will use commercially reasonable efforts to notify the Licensee at least thirty (30) days in advance of such implementation, and provide the technical specifications for the watermarking technology used. If the use of the watermarking technology renders the Licensed Materials substantially less useful to the Licensee, the Participating Institutions or their Authorized Users, the Licensee may seek to terminate this Agreement for breach pursuant to Section 11 of this Agreement.

- 7.26 **Interoperability with Prevailing Web Browsers.** The Distributor shall ensure that the Publisher will use reasonable efforts to ensure that the Licensed Materials are accessible and interoperable with prevailing web browsers and internet access tools, including, at a minimum, the most recent two major versions (current version and one version prior) and all the associated releases for those versions.
- 7.27 **Branding.** INTENTIONALLY OMITTED.
- 7.28 **MARC Records.** When applicable to the Licensed Materials, at the Licensee's request, the Distributor shall provide or shall ensure that the Publisher will use commercially reasonable efforts to provide full OCLC-quality batched sets of MARC records incorporating Licensee specifications at no additional cost by the date of the execution of this Agreement. Such records may be provided by means of the Publisher's online service.
- 7.29 **Open Access Option.** The Distributor undertakes and shall ensure that the Publisher will use commercially reasonable efforts to undertake to keep the Licensee informed of any alternative business models during the term of this Agreement, including but not limited to business models taking into account both journal subscriptions and Article Processing Charges for Open Access publishing in so-called hybrid journals. - 7.30 The Distributor recognizes and acknowledges that changes in statutory regulations may impact the terms and conditions of this Agreement. In the event of any obligatory statutory changes that affect the rights or obligations hereunder, the Distributor agrees to renegotiate the terms of this Agreement to the necessary extent to ensure compliance with such statutory changes.

## 8. Licensee Performance Obligations

- 8.1 **License Terms Notification.** The Licensee shall ensure that the Participating Institutions will use reasonable efforts to provide the Authorized Users with appropriate notice of the terms and conditions under which access to the Licensed Materials is granted under this Agreement.
- 8.2 **Protection from Unauthorized Use.** The Licensee shall ensure that the Participating Institutions will use reasonable efforts to (a) restrict access to the Licensed Materials to the Authorized Users and (b) restrict the unauthorized use of the Licensed Materials.
- 8.3 **Maintaining Confidentiality of Access Passwords.** Where access to the Licensed Materials is to be controlled by the use of passwords, the Licensee shall ensure that

the Participating Institutions will use reasonable efforts to inform the Authorized Users that they should not divulge their numbers and passwords to any third party. ## 11. Early Termination

- 11.1 **Early Termination for Financial Hardship.** The Licensee may terminate this Agreement, even partially with respect to particular Participating Institution or Participating Institutions, without penalty as of 31 December 2027 and subsequently every potential 31 December of the following Subscription Period if (i) sufficient content acquisitions funds are not allocated, or (ii) content acquisition funds are withdrawn or reduced, or (iii) the relevant Participating Institution does not have sufficient funds to participate, to enable the Licensee and/or Participating Institutions, in the exercise of its reasonable administrative discretion, to continue this Agreement. In the event of such financial circumstances, the Licensee will notify the Distributor of the intent to terminate this Agreement or partially terminate this

Agreement at least thirty (30) days before the end of the respective Subscription Period. This Agreement shall terminate in the selected extent on the last day of the respective Subscription Period without penalty of expense to the Licensee of any kind whatsoever, except as to the portions of payments herein agreed for which funds shall have been appropriated and budgeted or otherwise available. The Licensee may also terminate this Agreement, even partially with respect to particular Participating Institution or Participating Institutions, with a notice period of ninety (90) days from the date such termination is delivered to the Distributor in case tariffs on services are introduced. Such termination is without penalty of expense to the Licensee of any kind whatsoever except as to the portions of payments herein agreed for which funds shall have been appropriated and budgeted or otherwise available. In the event of such termination of this Agreement, the Licensee and Participating Institutions shall maintain their perpetual right to the Licensed Materials under fully paid Subscription Periods, subject to Section 12 of this Agreement.

- 11.2 **Termination for a Material Breach.** Each Party shall notify the breaching Party of a material breach of this Agreement in writing with a detailed description of the breach. The breaching Party shall have sixty (60) days from the receipt of such notice to use all reasonable means to cure this alleged material breach and to notify the non-breaching Party in writing that a cure has been effected. If the material breach is not cured within the sixty (60)-day period, the non-breaching Party shall have the right to terminate this Agreement with a written notice, however, if such material breach would concern or relate merely a certain Participating Institution or Participating Institutions, the Distributor has the right to terminate this Agreement only partially with respect to this or these Participating Institutions. The foregoing notwithstanding, the Distributor also has the right to terminate this Agreement if the Publisher determines, proves and documents that the material breach by Licensee and/or Participating Institution has a material negative impact on the entire Agreement. The notification obligation of the Distributor and the remedy period stipulated in this Article apply accordingly.
- 11.3 **Termination of Access.** Upon termination of this Agreement, the Distributor or the Publisher may terminate access to the Licensed Materials by the Licensee, the Participating Institutions and the Authorized Users (in case of a partial termination of this Agreement only with respect to the particular Participating Institution and their Authorized Users), subject to Section 12 of this Agreement. In addition, authorized copies of the Licensed Materials made by the Authorized Users may be retained for educational purposes and used subject to the terms of this Agreement even after the termination of this Agreement.
- 11.4 **Refunds.** In the event of early termination pursuant to this Agreement, except for termination for a material breach by the Licensee pursuant to Section 11.2 of this Agreement, the Licensee shall be entitled to a refund of any Fee or pro-rata portion thereof paid by the Licensee for any remaining period of this Agreement calculated from the date of termination.

- 11.5 **Termination for merger of Participating Institution.** In the event that any Participating Institution undergoes a merger division, spin-off or other corporate transformation during the term of this Agreement, the Licensee shall be entitled to terminate the Agreement for such Participating Institution. The termination of this Agreement for such Participating Institution shall become effective at the end of the current Subscription Period in which the notification on termination has been delivered to the Distributor (i.e., on the last day of the respective calendar year). .
- 11.6 **Termination in the event of dissolution of a Participating Institution without a legal successor.** In the event that any Participating Institution is dissolved without a legal successor during the term of this Agreement, this Agreement shall automatically terminate with respect to that Participating Institution on the date of such dissolution. The Licensee is entitled to a proportional reduction of the Fee corresponding to the unused portion of the Subscription Period for such Participating Institution. The Licensee shall notify the Distributor of this fact of dissolution of the Participating Institution. In the event the Licensee has already paid the Fee, the Distributor shall return the unused pro rata portion of the Fee within three (3) months after being notified by the Licensee pursuant to this Section. In the event the Fee has not yet been paid by the Licensee, the Fee shall be automatically reduced by the pro rata amount corresponding to the dissolved Participating Institution, and the Licensee shall be obliged to pay only the reduced amount.

## 12. Perpetual Rights

- 12.1 **Perpetual License.** Notwithstanding anything else in this Agreement, the Distributor grants or shall ensure that the Publisher will grant to the Licensee and the Participating Institutions a non-exclusive, royalty-free, system-wide perpetual license, limited to the territory of the Czech Republic to use any Licensed Materials that were subscribed to or for which a perpetual license fee has been paid during the term of this Agreement. Such perpetual Licensed Materials are specified in Appendix A. Such use shall be in accordance with the provisions of this Agreement, all of which shall survive any termination of this Agreement. The means by which the Licensee and/or the Participating Institutions shall have access to such Licensed Materials shall be in a manner and form substantially equivalent to the means by which access is provided under this Agreement. If the Publisher's means of access is not available, the Licensee and/or the Participating Institutions may provide substantially equivalent access to the Licensed Materials by use of an archival copy or by engaging the services of third-party trusted archives (such as Portico) and/or participating in collaborative archiving endeavors to exercise such perpetual rights.
- 12.2 **Archival Copy.** The Distributor shall provide or ensure that the Publisher will use commercially reasonable efforts to provide to the Licensee upon request, or the Licensee may create, one (1) copy of the entire set of Licensed Materials to be maintained as an archival copy. The archival copy from the Distributor or the Publisher shall be provided without any DRM in a mutually agreeable medium

suitable to the content, and any fees for provision of copies will be on a time and materials basis only.

12.3 In the event the Distributor or the Publisher discontinues or suspends selling or licensing the Licensed Materials, the Licensee, Participating Institutions and Authorized Users may use such archived Licensed Materials under the same terms as defined by this Agreement. If the Licensee has a backup copy of the Licensed Materials as defined in Section 4.3(e) of this Agreement, the backup copy may be used as an archival copy.

12.4 **Third-Party Archiving Services.** The Distributor and the Licensee acknowledge, and the Distributor shall ensure that the Publisher will also acknowledge, that either Party may engage the services of third-party trusted archives and/or participate in collaborative archiving endeavors to exercise the Licensee's rights under this section of this Agreement. The Distributor agrees to cooperate and ensure that the Publisher will also reasonably cooperate with such archiving entities and/or initiatives as reasonably necessary to make the Licensed Materials available for archiving purposes. The Licensee and/or Participating Institutions may perpetually use a third-party trusted system or collaborative archive to access or store the Licensed Materials, so long as the Licensee's and Participating Institutions' use is compliant with the terms of this Agreement.

12.5 In the event the Distributor or the Publisher discontinues or changes the terms of their participation in a third-party archiving service, the Distributor shall, or shall cause the Publisher to use commercially reasonable efforts to notify the Licensee in advance, and shall in good faith seek to establish alternative arrangements for trusted archiving and perpetual access to the Licensed Materials.

## 13. Warranties

13.1 The Distributor represents and warrants that the Publisher has all necessary legal and equitable rights, permissions, and clearances to license the Licensed Materials to the Licensee that could further authorize the Participating Institutions and their Authorized Users to use the Licensed Materials for the purposes and terms set out in this Agreement, and that the use of the Licensed Materials in accordance with the terms of this Agreement shall not infringe the copyright or other rights of any third party. The Distributor represents and warrants that it is authorized to fulfill any and all of its obligations set out in this Agreement and that its contractual or other relationship with the Publisher allows it to fulfill these obligations.

13.2 The Distributor represents and warrants that the physical object or medium which contains the Licensed Materials will be free from defects for a period of ninety (90) days from delivery.

13.3 **Accessibility Requirements.** The Distributor represents and warrants that the Licensed Materials comply with the Distributor's and the Publisher's country of origin laws and regulations and conform to the international accessibility requirements of

Web Accessibility Initiative, Web Content Accessibility Guidelines (WCAG) 2.1 at level AA<sup>5</sup>. The Distributor shall also promptly respond to and use reasonable efforts to resolve any complaint regarding accessibility of the Licensed Materials and ensure that necessary measures are taken by the Publisher, if necessary. The Distributor recognizes and acknowledges that a Directive “European Accessibility Act” is going to be transposed by the Member States of the European Union into their national legal systems. The Distributor therefore agrees to ensure that Publisher shall comply with this law, once the provisions of this Directive become effective. This shall also apply in case of any other obligatory statutory changes.

## 14. Limitations on Warranties

- 14.1 Notwithstanding anything else in this Agreement, neither Party shall be liable for any indirect, special, incidental, punitive or consequential damages, including but not limited to loss of data, business interruption, or loss of profits, that arises from the use of the Licensed Materials, or the inability to use the Licensed Materials. In no event shall Distributor, its affiliates or licensors (including but not limited to, the Publisher), or any of its or their respective directors, officers, employees, or agents, be liable to the Licensee, any Participating Institution, any Authorized User or any third party whose claim arises from or is related to this Agreement, under any theory of tort, contract, strict liability, or other legal or equitable theory, for any claims, damages, or costs of any nature in excess of the license fees paid by Licensee to Distributor during the twelve months preceding the earliest event giving rise to such liability. This limitation of liability and the disclaimers set forth in this Section 14.1 are independent of any remedies set forth herein and will survive and apply even if such remedies are found to have failed of their essential purpose.
- 14.2 Except for the express warranties stated elsewhere in this Agreement, the Licensed Materials, and the platforms and documentation provided by Distributor under this Agreement are furnished by Distributor, its affiliates and licensors (including, but not limited to, the Publisher) and accepted by Licensee, the Participating Institutions and the Authorized Users “as is” and without any warranty whatsoever. Distributor, its affiliates and licensors (including, but not limited to, the Publisher) make no representation or warranty, and expressly disclaim any liability with respect to the content of any of the Licensed Materials, including but not limited to errors or omissions contained therein, libel, infringement of rights of publicity, privacy, trademark rights, moral rights, or the disclosure of confidential information. However, in no way is limited the obligation of the Distributor and/or the Publisher stipulated in Articles 7.14-7.16 and Article 15.
- 14.3 Except for the express warranties stated elsewhere in this Agreement, the Distributor, its affiliates and licensors (including, but not limited to, the Publisher) disclaim any and all other warranties, conditions, or representations (express, implied, oral or written), relating to the Licensed Materials or any part thereof, including, without limitation, any and all implied warranties of accuracy, quality, suitability, system

availability, compatibility, title, non-infringement, performance, merchantability, fitness for a particular purpose or otherwise, irrespective of any course of dealing, custom, or usage of trade. In addition, Licensee acknowledges that access to the platforms and the Licensed Materials may be subject to limitations, delays, latency issues, and other problems inherent in the use of the internet and electronic communications, and that Distributor, its affiliates, and its licensors (including, but not limited to, the Publisher) are not responsible for any delays, delivery failures or other damage resulting from such problems provided that any such limitations, delays, latency issues, or other problems were not directly caused by the Publisher. However, in no case is limited the obligations of the Distributor stipulated in Article 7.11, Article 7.12, Article 7.26 and Article 13.3. No Distributor employee or agent is authorized to make any statement that adds to or amends the warranties or limitations contained in this Agreement.

14.4 The Licensed Materials are no substitute for individual patient assessment based upon the Licensee's or each Participating Institution's healthcare professionals' examination of each patient. While certain Licensed Materials may describe various basic principles of diagnosis and therapy, such Licensed Materials should be used as general medical reference materials to assist the healthcare professional in reaching diagnostic and treatment decisions. The Licensee, each Participating Institution and their respective healthcare professionals (including, without limitation, Authorized Users) should exercise their own independent professional and clinical judgment, taking into account information about particular individual patients that cannot be ascertained or taken into account as a part of necessarily generic or summary Licensed Materials. Given continuous, rapid advances and changes in medical science and health information, the Licensee, each Participating Institution and their respective healthcare professionals (including, without limitation, Authorized Users) should consult a variety of sources when prescribing medication, including the manufacturer's "package insert". The absence of a warning for a given drug or drug combination should not be construed to indicate that the drug or drug combination is safe, appropriate or effective in any given patient. The Licensee, and each Participating Institution acknowledges that the professional duty to the patient in providing healthcare services lies solely with the healthcare professional providing patient care services. The Licensee, each Participating Institution and their respective healthcare professionals (including, without limitation, Authorized Users) are solely responsible for the use of any Licensed Materials, and the Licensee's and each Participating Institution's healthcare professionals (including, without limitation, Authorized Users) are responsible for independently reaching any medical judgment. To the maximum extent permitted under applicable law, no responsibility is assumed by the Distributor, its affiliates or licensors (including, but not limited to, the Publisher) for any injury and/or damage to persons or property, as a matter of products liability, negligence law or otherwise, or from any reference to or use by Licensee, any Participating Institution (or any of their respective healthcare professionals) of any of the Licensed Materials.

## 15. Indemnities

15.1 The Distributor shall indemnify and hold harmless the Licensee, the Participating Institutions and Authorized Users from and against any and all liabilities, losses, claims, damages, awards, penalties, or injuries incurred, including reasonable attorney's fees, that arise from actual or alleged infringement of any third-party intellectual property rights regarding the use of the Licensed Materials by the Licensee or any Participating Institution or any Authorized User. NO LIMITATION OF LIABILITY SET FORTH ELSEWHERE IN THIS AGREEMENT IS APPLICABLE TO THIS INDEMNIFICATION. This Section shall survive the termination of this Agreement.

## 16. Data Protection

- 16.1 For the purpose of this Agreement, **Data Protection Law** shall mean the General Data Protection Regulation (EU) 2016/679 (the "Regulation") and the European Privacy and Electronic Communications Directive (Directive 2002/58/EC), as amended or replaced from time to time, and the terms "personal data", "processing", "processor", "controller", "personal data breach", "data subject" and "supervisory authority" shall all have the meanings ascribed to them under the applicable Data Protection Law.
- 16.2 Without any prejudice to Section 4.2(c) of this Agreement, if any personal data is processed under this Agreement by either Party or by the Publisher, the Parties agree that each Party, including the Publisher, shall act as a data controller for the purposes of Data Protection Law, unless such arrangement would be contrary to the Data Protection Law. Each Party, including the Publisher, shall (i) only process personal data in compliance with, and shall not cause itself or the other Party or the Publisher to be in breach of Data Protection Law and (ii) act reasonably in providing such information and assistance as the other Party may reasonably request to enable it to comply with its obligations under Data Protection Law.
- 16.3 Each Party will notify the other Party or the Publisher without undue delay if it becomes aware of a personal data breach relating to the processing of personal data in connection with this Agreement and shall act reasonably in co-operating with the other Party in respect of any communications or notifications to be issued to any data subjects and/or supervisory authorities in respect of the personal data breach.
- 16.4 If either Party receives any communication from any supervisory authority relating to the processing or personal data in connection with this Agreement, it shall (i) provide the other Party with reasonable details of such communication, and (ii) act reasonably in co-operating with the other Party in respect of any response to the same.

## 17. Assignment and Transfer

17.1 The Licensee shall not assign this Agreement nor delegate any of its duties, in whole or in part, without the prior express written consent of the Distributor. In no event shall the Distributor's consent be construed as discharging or releasing the Licensee in any way from the performance of its obligations under this Agreement. Unless such action would contradict with the applicable public procurement law, the Distributor may assign this Agreement to its successors, subsidiaries or assigns which will be bound by the same terms and conditions. The Distributor will inform the Licensee on plans of such assignments in advance and provide a time to evaluate such action if required under the applicable public procurement law. An assignee of either Party authorized hereunder shall be bound by the terms of this Agreement and shall have all of the rights and obligations of the assigning Party set forth in this Agreement. If any assignee refuses to be bound by all of the terms and obligations of this Agreement or if any assignment is made in breach of the terms of this Agreement, then such assignment shall be null and void and of no force or effect. Neither Party may unreasonably withhold or delay such written consent.

## 18. Governing Law

18.1 This Agreement and all matters arising from or in connection hereto shall be interpreted and construed according to, and governed by, the laws of the Czech Republic, in particular by Act No. 89/2012 Coll., the Civil Code, as amended.

## 19. Dispute Resolution & Venue

19.1 In the event of any dispute or controversy arising out of or relating to this Agreement, the Parties agree to exercise good faith to resolve the dispute amicably and as soon as possible. In the event that the Parties fail to settle the dispute amicably within thirty (30) days, they shall submit the dispute to informal mediation, as further described below in this paragraph. The Parties shall continue to perform their respective obligations under this Agreement, unless such performance would be objectively hindered due to the existing dispute. The Party invoking mediation shall inform the other Party with a written notice of its decision to seek informal mediation, and the notice must include a description of the subject to the dispute and a proposed resolution thereof. Designated representatives of both Parties shall attempt to resolve the dispute within five (5) working days starting from the day after the delivery of such notice to the other Party. If the designated representatives cannot resolve the dispute, the Parties shall meet at a mutually agreed location and discuss the dispute and their respective proposals for resolution while being represented by their responsible executives, who shall act in good faith to resolve the dispute.

19.2 If the dispute is not resolved within thirty (30) days of the meeting among the Parties' executives, either Party may pursue legal action in court. The exclusive jurisdiction and venue for any and all actions arising out of or brought under this Agreement is in

a state court of competent jurisdiction, situated in Prague, Czech Republic. During such court action, the Parties shall continue to perform their respective obligations under this Agreement unless such performance would be objectively hindered due to the existing dispute.

## 20. Force Majeure

20.1 Except for the Licensee's payment obligations and the obligations of the Distributor to refund pursuant to Article 11.4, neither Party shall be liable for any damage or, other than as set forth below, have the right to terminate this Agreement for any delay or default in performing its duties hereunder if such delay or default is caused by conditions beyond its control including but not limited to acts of God, government restrictions (including the denial or cancellation of any export or other necessary license), wars, acts of terrorism, insurrections, labor strikes or other work stoppages, and/or any other cause beyond the reasonable control of the Party whose performance is affected. Upon the occurrence of such event of force majeure, the Party affected shall promptly notify the other Party in writing setting forth the details of the occurrence of the force majeure event, its expected duration and how that Party's performance may be affected. The affected Party shall resume the performance of its duties as soon as practicable after the force majeure event ceases. In the event the conditions causing a force majeure event continue for a period of 30 days or longer, then either Party may terminate this Agreement upon 3 days written notice to the other Party.

## 21. Entire Agreement

21.1 This Agreement constitutes the entire agreement of the Parties and supersedes any and all prior communications, understandings, and agreements relating to the subject matter hereof, whether oral or written. For the avoidance of doubt, additional terms and conditions as defined in Section 7.6 of this Agreement shall not modify the terms of this Agreement.

## 22. Amendment

22.1 No modification or claimed waiver of any provision of this Agreement shall be valid except by written amendment signed by authorized representatives of the Parties.

22.2 The Licensee, in compliance with Section 100(1) of Act no. 134/2016 Sb. on public procurement, as amended, reserves the right to change the commitment under this Agreement, which entails a change in the number of licenses, i.e. an increase in the number of licenses, for the purpose of accommodating additional Potential Participating Institutions as the authorizing contracting authorities with whom the Licensee has entered into a central procurement agreement and a list of which is attached as Appendix B. This reservation will be effected, as the case may be, by means of an amendment to this Agreement based on the interest of Potential Participating Institutions mentioned in the preceding sentence to receive performance

under this Agreement. The Parties may include the price for the licenses for these Potential Participating Institutions in the Appendix B.

## 23. Severability

23.1 If any provision or provisions of this Agreement shall be held to be invalid, illegal, unenforceable or in conflict with the law, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby. The Parties shall replace the invalid, illegal or unenforceable provision with a new provision to achieve the same or, if not possible, the closest possible effect to that of the original invalid, illegal or unenforceable provision and this Agreement as a whole.

## 24. Waiver of Contractual Right

24.1 Waiver of any right, power or remedy herein shall not be deemed a waiver of any other right, power or remedy herein, nor shall waiver of any right, power or remedy regarding a breach of this Agreement be construed as a continuing waiver of any right, power or remedy regarding other breaches of the same or other provisions of this Agreement.

## 25. Notices

25.1 All notifications, invitations, information, legal acts and other communications ("**Notices**") made in the matters of and under this Agreement must be made in writing, the written form being retained if Notices are delivered by e-mail.

25.2 Notices regarding the damages, penalties, debts, contacts and this Agreement as such (for example, the notification about breach or termination) must be delivered in person, by registered post or courier service. Notices delivered personally or by courier service shall be deemed received at the time of receipt or refusal of their receipt. Notices served by registered mail will be presumed delivered on the third (3<sup>rd</sup>) business day following their proven posting if the delivery address is in the Czech Republic, and on the fifteenth (15<sup>th</sup>) day if the delivery address is outside the Czech Republic.

25.3 Either Party may from time to time change its delivery address by written Notice to the other Party. Such change is effective from the delivery of such Notice.
