The Distributor is acting on behalf of Emerald Publishing Limited (company number 03080506) of Floor 5, Northspring, 21 – 23 Wellington Street, Leeds LS1 4DL ("**Publisher**")

The Licensee acts as a central purchasing body within the meaning of Act No. 134/2016 Coll., on Public Procurement, as amended, for concluding license agreements on behalf of Participating Institutions as listed in Appendix B ("**Participating Institutions**") as part of the project CzechELib. In the event the Licensee is listed in Appendix B, all and any provisions related to Participating Institutions shall be without any limitation applicable also to the Licensee.

The Licensee shall be entitled to grant the necessary authorization or sublicense to Participating Institutions.

In consideration of the mutual promises contained herein and other good and valuable considerations, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. Representation, Subject of the Agreement, Content of Licensed Materials; Grant of License

- 1.1 **Representation.** The Distributor hereby represents and warrants that it has all the authority, competence and license to grant a license to the Licensed Materials to the Licensee as defined in this Agreement. Where the performance of the Distributor's obligation depends on the activity and/or cooperation of the Publisher, the Distributor shall ensure and is liable for any violation of the rights and/or obligations stipulated herein as a result of the activity or inactivity of the Publisher and this can serve as a reason for termination of this Agreement pursuant to Section 11.
- 1.2 **Subject of the Agreement.** The subject of this Agreement is to define the conditions of cooperation and the rights and duties of the Parties while providing the Licensed Materials to the Licensee and the Participating Institutions as defined in this Agreement.
- 1.3 **Licensed Materials.** The materials that are the subject of this Agreement are set forth in Appendix A ("**Licensed Materials**").
- 1.4 **Grant of License.** The Distributor hereby grants to the Licensee a non-exclusive, non-transferable (except the following sublicenses or other corresponding authorization), system-wide perpetual right, or if perpetual is not objectively possible under applicable law then to the maximum extent permissible under applicable law (regardless whether in form of a license or a sublicense), to use the Licensed Materials pursuant to this Agreement, limited to the territory of the Czech Republic. The Licensee is entitled to grant the sublicenses or any other corresponding authorization to the Participating Institutions in order to provide the Licensed Materials to the Authorized Users via a Secure Network (as defined in Section 4.1 of this Agreement) of the Participating Institutions in accordance with the terms of this Agreement.
- 1.5 **Ownership of Intellectual Property.** Nothing in this Agreement shall be construed, interpreted or understood to transfer of ownership of any copyright, trademarks, service marks or any other intellectual property from the Distributor or its suppliers to the Licensee or the Authorized Users.

2. Delivery & Access

- 2.1 The Distributor will provide the Licensed Materials to the Licensee and to the Participating Institutions in the following manner:

Network Access. The Licensed Materials will be stored at one or more of the Publisher's locations in digital form accessible by telecommunication links between such locations and authorized locations of the Licensee and the Participating Institutions.

3. Fees

- 3.1 **Fees and Payment.** The Licensee shall pay the Distributor a fee for the license concerning the Licensed Materials pursuant to the terms set forth in Appendix A based on an invoice issued by the Distributor ("**Fee**"). All Fees are due and payable by the Licensee by 30 April of the respective calendar year, unless otherwise stipulated in Appendix A.
- 3.2 **Incomplete Payment.** The Licensee may cover the invoice partially if a Participating Institution did not provide its financial contribution in time. In the event of such incomplete payment, the Licensee will notify the Distributor in writing of the intended difference no less than ten (10) days prior to the due date. In such case the Licensee is not in delay with the payment and the Distributor or the Publisher may suspend the IP addresses of such Participating Institution until the Fee is completely paid.
- 3.3 **Change of number of Participating Institutions listed in Appendix B.** In case any Participating Institution shall lose its status as a Participating Institution or in case any Potential Participating Institution and/or new scientific (or similar) institution shall reveal its intent to become a Participating Institution, the Distributor shall enter into negotiations with the Licensee to amend this Agreement and to correspondingly renegotiate the Fee.

4. Authorized Use of Licensed Materials

- 4.1 **Authorized Users.** "**Authorized Users**" are:

- (a) Persons affiliated with the Participating Institutions. Full and part-time employees and contracted persons (including faculty, staff) of the Participating Institutions and students of the Participating Institutions, and registered users, regardless of the physical location of such persons. For authorized sites of the Participating Institutions, see Appendix B. Should the Licensee be listed in the Appendix B as the Participating Institution, all provisions concerning the Participating Institution and the Authorized Users shall apply also with respect to the Licensee.
- (b) Walk-ins. Persons not affiliated with the Participating Institutions who are physically present at the Participating Institutions' site(s) ("**Walk-ins**").

4.2 **Access by and Authentication of Authorized Users.** Authorized Users of the Participating Institutions shall be granted access to the Licensed Materials via a Secure Network pursuant to the following:

- (a) **IP Addresses.** Authorized Users shall be identified and authenticated by the use of Internet Protocol ("IP") addresses provided by the Licensee to the Distributor. The use of proxy servers by the Licensee or the Participating Institutions is authorized as long as any proxy server IP addresses provided limit remote or off-campus access to the Authorized Users. Authorized IP Addresses are listed in Appendix C. An updated list will be sent to the Distributor on an annual or as-needed basis without the need to amend this Agreement. Alternatively, if the Publisher is utilizing its own and/or third-party system for IP range change notification (such as e.g. IP Registry), then an updated list may be sent via such system instead. The Distributor shall ensure that the Publisher shall use reasonable efforts to cooperate with the Participating Institutions in the implementation of new authentication protocols and procedures (such as Shibboleth) as they are developed during the term of this Agreement. Both the Licensee and the Distributor will provide cooperation to coordinate or facilitate this process but they will not be liable for correct implementation of such authentication protocols and procedures (which remain the full responsibility of the Publisher and the respective Participating Institution).
- (b) **Distributor or Publisher - Administered Authentication.** Where the Distributor or the Publisher provides alternative methods of access and authentication beyond the Licensee-administered methods described herein, e.g. by allowing users to establish a personal login from an on-campus IP address (thereby enabling access via username and password when logging in to a website of the Distributor) or device authentication, which affiliates the device or application by use of a token, cookie, or vendor-managed proxy prefix, neither the Licensee nor any Participating Institution will be responsible or liable for claims of breach or validity of such use. Neither the Licensee nor any of the Participating Institutions shall be responsible or liable for the processing of personally identifiable information (personal data) by the Distributor or Publisher in this matter as this remains its full liability.
- (c) **Personally Identifiable Information (Personal Data) of Authorized Users.** The Licensee, the Distributor and the Publisher together and individually acknowledge and agree that the Licensee neither transfers nor provides any personally identifiable information (personal data) of the Authorized Users to the Distributor. Access to the Licensed Materials is primarily granted via IP Addresses pursuant to Section 4.2(a) of this Agreement which prevent any identification of the Authorized User. In case of the Distributor or the Publisher - Administered Authentication pursuant to Section 4.2(b) of this Agreement, the Distributor and the Publisher are required to ensure lawful processing of any personally identifiable information (personal data). This does not preclude the Licensee to hand over the contact details of the Participating Institutions' contact persons or other personal data where the Licensee has a valid legal basis therefor.

- 4.3 **Authorized Uses.** The Participating Institutions and the Authorized Users may make all use of the Licensed Materials as is consistent with the applicable law and with this Agreement, including but not limited to the following licensing conditions ("**Authorized Uses**"). In addition, the Licensed Materials may be used for purposes of research, education or other non-commercial use as particularly follows:
- (a) **Display.** The Participating Institutions and the Authorized Users shall have the right to electronically display the Licensed Materials.
 - (b) **Digital Copy.** The Participating Institutions and Authorized Users may download and digitally copy a reasonable portion of the Licensed Materials.
 - (c) **Print Copy.** The Participating Institutions and the Authorized Users may print a reasonable portion of the Licensed Materials.
 - (d) **Recover Copying Costs.** The Participating Institutions may impose a reasonable fee on the Authorized Users to cover costs of copying or printing portions of the Licensed Materials by or for the Authorized Users.
 - (e) **Archival/Backup Copy.** Intentionally omitted.
 - (f) **Caching.** Intentionally omitted.
 - (g) **Classroom Use.** The Participating Institutions and the Authorized Users may distribute single copies of individual articles or items of the Licensed Materials in print or electronic form to the Authorized Users. For the avoidance of doubt, classroom handouts shall include the distribution of a copy for teaching purposes to all individual Authorized Users in a class at Authorized Sites (Appendix B).
 - (h) **Collections of Information.** The Participating Institutions and the Authorized Users shall be permitted to extract or use information contained in the Licensed Materials for educational, scientific, or non-commercial research purposes, including extraction and manipulation of information for the purpose of illustration, explanation, example, comment, criticism, teaching, research, or analysis.
 - (i) **Course Packs (Print and Electronic).** The Participating Institutions and the Authorized Users may use a reasonable portion of the Licensed Materials in the preparation of a packet of the materials used in the classroom ("**Course Packs**") or other educational materials. Each item incorporated in the Course Packs shall carry appropriate acknowledgement of the source, title, author of the extract and the name of the Publisher. Course Packs in non-electronic no print perceptible form, such as audio or Braille, may also be offered by the Licensee and Participating Institutions to Authorized Users on the same terms.
 - (j) **Course Reserves (Print and Electronic).** The Participating Institutions and the Authorized Users may use a reasonable portion of the Licensed Materials in connection with specific courses of instruction offered by the Participating Institutions.

- (k) Electronic Links. The Participating Institutions and the Authorized Users may provide hyperlinks from the Participating Institutions' and the Authorized Users' web page(s) or website(s) to individual units of content within the Licensed Materials.
- (l) Scholarly Sharing. On an ad hoc basis, the Authorized Users may transmit to other individual scholars collaborating with Authorized Users electronically, minimal, a single copy of an individual article or single chapter being part of the Licensed Materials for personal use or scholarly, educational, or scientific research or professional use in the nature of collaboration, comment, or scholarly exchange of ideas but in no case for resale or commercial purposes or in a manner that would substitute for direct access to the Licensed Materials via services offered by the Distributor and/or the Publisher.
- (m) Text and Data Mining. Intentionally omitted.
- (n) Interlibrary Loan. Using electronic, paper, or intermediated means, the Participating Institutions may at their discretion fulfill occasional requests from other institutions within the Czech Republic, a practice commonly called Interlibrary Loan ("ILL"). The Distributor agrees and ensures that the Publisher will agree that the electronic form of the Licensed Materials may be used as a source for the ILL whereby single copy of individual articles and/or chapters can be printed and these print copies can be delivered via postal mail, fax, or fax-based service to fulfill ILL requests from an academic, research or other non-commercial library. Requests received from for-profit companies will not be honored. An ILL through secure electronic transmission, as demonstrated by the ARIEL, is permitted. For the avoidance of doubt, such secure electronic transmission could also be fulfilled by any system which satisfies all of the following features: 1) ensures that requesting user (researcher/scholar) is affiliated to eligible institution; 2) enables limiting number of items requested per each journal title over a given period; 3) enables limiting number of requests fulfilled by the delivering library over a given period; 4) before getting access to the delivered pdf file, the requesting scholar (who is fully identifiable) must provably declare his/her full compliance with publisher's intellectual property rights. Limitations imposed in points 1), 2) and 3) of this paragraph could be mutually agreed between Distributor, Publisher and Licensee. Files transmitted in this manner must carry copyright notices and comply with the applicable law.
- (o) Bibliographic Citations. The Participating Institutions and the Authorized Users may use, with appropriate credit given, figures, tables, and brief excerpts from the Licensed Materials in the Participating Institutions' and the Authorized Users' own scientific, scholarly, and educational works. For the avoidance of doubt, the Participating Institutions and the Authorized Users may use citation and abstract information in faculty profiling systems, in lists of publications on faculty and institutional web pages, and to create bibliographies, and store a single copy of an individual document being part of the Licensed Materials, including within secure personal bibliographic reference/citation management systems.

4.4 **No Diminution of Rights.** In the event that any content included in the Licensed Materials is in the public domain or has been issued under a Creative Commons or other open license, the Distributor shall not place access, use or other restrictions on that content beyond those found in the open license, where applicable.

4.5 **The Rights of the Author to Use Own Work.** Intentionally omitted.

4.6 Intentionally omitted.

4.7 **Definitions:**

“**Secure Network**” means a network (whether a standalone network or virtual network within the internet) which is only accessible to Authorized Users approved by the particular Participating Institution whose identity is authenticated at the time of log-in and whose conduct is subject to regulation by the particular Participating Institution.

4.8 **Scope of Authorized Use and Access to Licensed Materials.**

Unlimited Access. Subject to the terms of this Agreement, the Participating Institutions and the Authorized Users shall have unlimited and simultaneous user access to the Licensed Materials.

5. Specific Restrictions on Use of Licensed Materials

5.1 **Unauthorized Use.** The Participating Institutions, or the Authorized Users shall not knowingly permit anyone other than the Authorized Users to access the Licensed Materials.

5.2 **Modification of Licensed Materials.** The Participating Institutions or the Authorized Users shall not modify or manipulate the Licensed Materials without the prior written permission of the Publisher.

5.3 **Removal of Copyright Notice.** The Participating Institutions or the Authorized Users shall not remove, obscure or modify any copyright or other notices included in the Licensed Materials.

5.4 **Commercial Purposes.** The Participating Institutions or the Authorized Users may not use the Licensed Materials for commercial purposes, including but not limited to the sale of the Licensed Materials, fee-for-service use of the Licensed Materials; nor may the Licensee and the Participating Institutions impose special charges on the Authorized Users for use of the Licensed Materials beyond reasonable printing or administrative costs. For the avoidance of doubt, research conducted by the

Participating Institutions and Authorized Users that is supported by a commercial entity shall not be considered use for commercial purposes.

6. Mutual Performance Obligations

- 6.1 **Notification and Cure of Unauthorized Use.** In the event the Licensee and/or any of the Participating Institutions become aware of an unauthorized use of the Licensed Materials and cannot promptly remedy it, the Licensee or the Participating Institution shall without undue delay notify the Distributor or the Publisher. In the event the Distributor or Publisher becomes aware of unauthorized use of the Licensed Materials, the Distributor shall, or shall ensure that the Publisher will, without undue delay notify the Licensee and the respective Participating Institution in writing.
- 6.2 In the case of unauthorized use which is causing serious and immediate material harm to the Publisher, the Publisher may temporarily suspend such offending individual Authorized User's access to the Licensed Materials (e.g. by blocking an individual user's IP address), provided that the Distributor promptly notifies, or shall ensure that the Publisher immediately notifies the Licensee and the respective Participating Institution of any such suspension, including the reason for the suspension and any non-confidential supporting details. Such temporary suspensions will be only of the shortest possible duration and the maximally limited extent necessary to terminate the unauthorized use and prevent its resumption. In the event that such suspension lasts longer than the shortest period necessary to prevent such unauthorized use, the Distributor is obliged to reimburse the Licensee the respective pro rata part of the Fee (calculated with respect to the actual number of excessively suspended Authorized Users) for the period of duration of such excessive suspension. Any excessive suspension of access to the Licensed Materials can serve as a Licensee's reason for termination of this Agreement pursuant to Section 11 of this Agreement.

7. Performance Obligations

- 7.1 The Distributor will use reasonable efforts to ensure that its or the Publisher's performance will meet or exceed industry standards and practices. Additionally, the Distributor agrees to the following performance standards set out in this Section 7.
- 7.2 The Distributor shall acquaint the Publisher with the content of this Agreement. The Distributor shall ensure that all Distributor's obligations under this Agreement will be fulfilled and that the Publisher will not prevent such fulfillment. The Distributor may under no circumstances exclude or limit its liability due to any lack of cooperation from the Publisher. The Distributor shall ensure that the Publisher will provide its cooperation in duly and timely manner so all obligations stipulated herein may be orderly fulfilled.

- 7.3 **Availability of the Licensed Materials.** Upon the Effective Date (as specified in Section 9.1 of this Agreement), the Distributor shall ensure that the Licensed Materials become available to the Participating Institutions and the Authorized Users.

Should the Effective Date of this Agreement occur after 1 January 2026, Distributor shall ensure that the Publisher will make, or has already made, the Licensed Materials available to the Licensee, the Participating Institutions and Authorized Users in the full scope of the license stipulated herein already as of 1 January 2026 due to the necessity of access to the Licensed Material as of 1 January 2026, to the Participating Institutions and Authorized Users in the full scope of the authorization stipulated herein including all and any possible rights and authorizations such as potential archiving rights, extent of the access to the backfile content of Licensed Materials or Open Access publishing under this Agreement. Performance of the Distributor's obligation to ensure that the Licensed Materials become available before this Agreement takes effect shall be considered entirely as a performance according to and in compliance with this Agreement.

- 7.4 **Discovery of the Licensed Materials.** The Distributor shall ensure that the Publisher will make reasonable efforts to make the Licensed Materials available through the Licensee's and/or the Participating Institutions' user interface and search systems for discovering and displaying content from local database and web-based sources ("**Discovery Service System**") for indexing and discovery purposes. The Distributor shall ensure that the Publisher provides to the Licensee's and/or the Participating Institutions' discovery service vendors on an ongoing basis the citation and descriptive metadata (including all subject headings, abstracts, and keywords) and full-text content necessary to facilitate optimal discovery and accessibility of the content for the benefit of the Participating Institutions and the Authorized Users.

- 7.5 **Persistent Linking.** The Distributor shall ensure that the Publisher will make reasonable efforts to comply with the most current version of the OpenURL standard (ANSI/NISA Z39.88 or any that replaces it during the term of this Agreement) and will endeavour to provide a mechanism for persistent links to content.

- 7.6 **Online Terms and Conditions.** In the event that the Distributor or the Publisher requires the Authorized Users to agree to additional terms relating to the use of the Licensed Materials (commonly referred to as "**click-through**" or "**clickwrap**" licenses), or otherwise attempts to impose terms on the Authorized Users through online terms and conditions invoked by the mere use or viewing of the Licensed Materials, such additional terms shall only apply to the Authorized Users who agreed to the respective additional terms. Such additional terms shall not materially differ from the provisions of this Agreement and violation of these additional terms by the Authorized Users will not be considered as breach of this Agreement but merely and exclusively as breach of these additional terms. In the event of any conflict between the additional terms and this Agreement, the terms of this Agreement shall prevail. The Distributor or the Publisher alone shall be liable and responsible for any personal data processing that occurs with respect to these additional online terms and conditions as either the Distributor or the Publisher determines the scope and

purpose of such personal data processing. For the avoidance of doubt, the Authorized Users are not a party to this Agreement.

- 7.7 **Documentation.** The Distributor will provide or shall ensure that the Publisher will provide up-to-date help and operational documentation to the Licensee, the Participating Institutions and the Authorized Users in an electronic format. Such documentation may be provided by means of the Distributor's and/or Publisher's online system and/or system for administrators.
- 7.8 **Support.** The Distributor shall ensure that the Distributor or Publisher will provide activation and installation support, including assisting the Licensee, Participating Institutions and Authorized Users with the implementation of any Publisher software. The Distributor will offer reasonable levels of continuing support to assist the Licensee, Participating Institutions and Authorized Users in the use of the Licensed Materials. The Distributor shall ensure that the Distributor or Publisher will make its personnel available by email [REDACTED] and/or phone [REDACTED] during cross section of the Publisher's and the Licensee's and/or the Participating Institutions' regular business hours, Monday through Friday, for feedback, problem-solving, or general questions, and they will respond in a timely manner. If there is a change in a contact for support, either the Distributor or the Publisher will notify the Licensee and the Participating Institutions of such change. The change is effective by the delivery of the notice to the Licensee and the Participating Institutions.
- 7.9 **Training.** Intentionally omitted.
- 7.10 **Updates.** Intentionally omitted.
- 7.11 **Quality of Service.** The Distributor shall ensure that the Publisher will use reasonable efforts to ensure that the Publisher's server or servers have sufficient capacity and rate of connectivity to provide the Participating Institutions and their Authorized Users with all the services pursuant to this Agreement at a level exceeding or at least comparable to current standards in the online information provision industry in the Licensee's and the Participating Institutions' locale. The Distributor shall ensure that the Publisher will use reasonable efforts to provide continuous service seven (7) days a week with an average of 98% up-time per month. The 2% down-time can include periodic unavailability due to server maintenance; software installation or testing; loading or making available additional Licensed Materials as they become available; and unavailability because of service or equipment failure outside the control of the Distributor and/or the Publisher (including problems with public or private telecommunication services, or Internet nodes or facilities). The Publisher may schedule brief unavailability periods, provided (1) that Publisher will use commercially reasonable effort to give at least forty-eight (48) hours' prior notice to the Licensee (however the parties acknowledge that it shall be the Licensee's responsibility to ensure it has provided appropriate contact details to the Publisher in order to communicate such notice), and (b) in a way and at times that minimize inconvenience to the Licensee, the Participating Institutions and its Authorized Users, regardless of when notice has been given. The Licensee shall not

be entitled to any credit, reduction or set-off against the License Fee for downtime or any interruption in the availability of the Licensed Materials unless such interruption exceeds twenty-four (24) continuous hours in duration. In such event, the Distributor shall provide the Licensee with a credit equal to 1/365 of the annual License Fee for each continuous twenty-four (24) hour period from the time of interruption until restoration of Licensee's access to the Licensed Materials, provided that the Licensee promptly notifies the Distributor in writing of the service interruption. No credit will be issued for accumulating periods of non-continuous interruptions or any interruption caused by any negligence or willful misconduct of the Licensee or failure of equipment, software or services not provided by the Distributor.

7.12 **Problems with Licensed Materials.** If the Licensed Materials fail to operate, display, load, or render in conformance with the terms of this Agreement, the Licensee or the Participating Institution shall notify the Distributor or the Publisher in writing, and the Distributor shall ensure that the Publisher will promptly use best efforts to restore access to the Licensed Materials as soon as possible. In the event that the non-conformity has a proven materially adverse effect on the Participating Institutions' or the Authorized Users' use of the Licensed Materials, and the Publisher fails to remedy the non-conformity within ten (10) business days, the Distributor shall reimburse the fees paid by the Licensee that is proportional to the period of service loss or interruption suffered.

7.13 **Transfer or Acquisition of Titles.** If any portion of the Licensed Materials is transferred to or acquired from another party, the Distributor shall ensure that the Publisher will use best efforts so the Participating Institutions will not lose access to the Licensed Materials or any rights under this Agreement as a result of the transfer or acquisition. Any archival and perpetual access rights that have been granted shall be retained, whether the Publisher is acting as the transferring or acquiring party. If the Publisher is transferring any portion of the Licensed Materials to another party, the Distributor shall ensure that the Publisher will assign all rights and obligations under this Agreement to the assignee. If the Publisher is acquiring content that will become subject to this Agreement, the Distributor shall ensure that the Publisher will use best efforts to acquire the rights necessary for its performance under this Agreement, including but not limited to perpetual access rights. The Distributor shall ensure that the Publisher will provide the relevant party with all the relevant payment and rights information. For journal titles, the Distributor shall ensure that the Publisher will comply with the NISO Transfer Code of Practice.¹

7.14 **Completeness of Content.** Intentionally omitted.

7.17 **Notification of Modifications of Licensed Materials.** Intentionally omitted.

7.18 **Withdrawal of Licensed Materials.** The Publisher reserves the right at any time to withdraw from the Licensed Materials any item or part of an item for which the Publisher no longer retains the right to publish, or which it has reasonable grounds to believe infringes a third party's copyright or any other intellectual property right or is defamatory, obscene, unlawful, or otherwise objectionable. If the withdrawal represents more than ten per cent (10%) of any particular part of the Licensed Materials, the Distributor shall give written notice of such withdrawal to the Licensee and refund that part of the Fee for that part of the Licensed Materials that is in proportion to the amount of Licensed Materials withdrawn for any remaining un- expired portion of the Subscription Period.

7.19 Intentionally omitted.

7.20 **Itemized Holdings/Title List.** Prior to the beginning of every calendar year, the Distributor or the Publisher will provide the Licensee with the current itemized holdings report that will specify the titles included in the Licensed Materials for the next Subscription Period (as specified in Section 9.3 of this Agreement). The Distributor shall ensure that the Publisher will use reasonable efforts to update itemized holdings reports as soon as is practicable when the holdings information changes, and will provide this information to the Discovery Service System in a timely manner and to the Licensee on request. If the Licensed Materials include content covered by the NISO Knowledge Bases And Related Tools (KBART) Recommended Practice,² the Distributor or the Publisher will provide itemized holdings lists for the Licensed Materials in a KBART-compliant format, including a column/field for dates (YYYY-MM) of additions.

7.21 **Usage Statistics.** The Distributor will use its reasonable endeavours to be compliant with the COUNTER code of practice and incorporate the latest compliancy rules where applicable in relation to the Licensed Materials and its obligations under this License. All usage data shall be compiled by the Distributor in a manner consistent with privacy and data protection laws within the United Kingdom, including the anonymity of Authorised Users and the confidentiality of their searches. It is more than desirable that the Standardized Usage Statistics Harvesting Initiative (SUSHI) Protocol³ is available for the Licensee to harvest the statistics.

7.22 Neither the Distributor nor the Publisher shall provide the Licensee's usage statistics in any form to any third party without the Licensee's prior written consent, unless the third party owns rights in the Licensed Materials; in such case the Distributor shall ensure that the usage statistics will not be provided to any other third party. The Distributor shall not provide and shall ensure that the Publisher will also not provide usage statistics of any Participating Institution in any form to any third party (with the exception of the Licensee) without the Participating Institution's prior written consent, unless the third party owns rights in the Licensed Materials. In all cases, the

disclosure of such data shall fully protect the anonymity of individual users and the confidentiality of their searches, and will comply with all applicable privacy legislation. Neither the Distributor nor the Publisher shall disclose or sell to any third party usage data or information about the Licensee, any Participating Institution or the Authorized Users without the Licensee's and/or the relevant Participating Institution's prior written consent or unless specifically required by law.

- 7.23 **Confidentiality of Personally Identifiable Information (Personal Data).** The Distributor agrees and shall ensure that the Publisher ensures that no personally identifiable information (personal data), including but not limited to log-ins recorded in system logs, IP addresses of patrons accessing the system, saved searches, any identification data, usernames and passwords, will be shared with third parties, except in cases required or allowed by the applicable law, particularly by the Data Protection Law (as specified in Section 16.1 of this Agreement). If the Distributor or the Publisher is compelled by law or court order to disclose personally identifiable information (personal data) of the Authorized Users or patterns of use, the Distributor shall provide the Licensee with adequate prior written notice as soon as is practicable, so that the Licensee, the Participating Institution or the Authorized Users may seek protective orders or other remedies. The Distributor or the Publisher will notify the Licensee and Authorized Users as soon as is practicable if the Distributor's or Publisher's systems are breached and the confidentiality of personally identifiable information (personal data) is compromised.
- 7.24 **Notice of the Use of Digital Rights Management Technology.** In the event that the Distributor or the Publisher utilizes or implements any type of digital rights management ("**DRM**") technology to control the access to or usage of the Licensed Materials, the Distributor will provide or shall ensure that the Publisher will provide the Licensee with a description of the technical specifications of the DRM and how it impacts access to or usage of the Licensed Materials. In no event may such DRM technology be used in a way that would limit the usage rights of the Participating Institution or any Authorized User as specified in this Agreement or under applicable law. If the use of DRM renders the Licensed Materials substantially less useful to the Participating Institutions or their Authorized Users, the Licensee may seek to terminate this Agreement for breach pursuant to Section 11 of this Agreement.
- 7.25 **Use of Digital Watermarking Technology.** In the event that either the Distributor or the Publisher utilizes any type of watermarking technology for any element of the Licensed Materials, the watermarks may not reduce the readability of the content or degrade image quality. Such watermarks shall not contain user-related information, including but not limited to an account number, IP address, and usernames. If digital watermarking technology is implemented, the Distributor will notify or shall ensure that the Publisher will notify the Licensee at least thirty (30) days in advance of such implementation, and provide the technical specifications for the watermarking technology used. If the use of the watermarking technology renders the Licensed Materials substantially less useful to the Licensee, the Participating Institutions or their Authorized Users, the Licensee may seek to terminate this Agreement for breach pursuant to Section 11 of this Agreement.

- 7.26 **Interoperability with Prevailing Web Browsers.** The Distributor shall ensure that the Publisher will use reasonable efforts to ensure that the Licensed Materials are accessible and interoperable with prevailing web browsers and internet access tools, including, at a minimum, the most recent two major versions (current version and one version prior) and all the associated releases for those versions.
- 7.27 **Branding.** Intentionally omitted.
- 7.28 **MARC Records.** Intentionally omitted.
- 7.29 **Open Access Option.** Open Access terms are defined in Appendix E.
- 7.30 The Distributor recognizes and acknowledges that changes in statutory regulations may impact the terms and conditions of this Agreement. In the event of any obligatory statutory changes that affect the rights or obligations hereunder, the Distributor agrees to renegotiate the terms of this Agreement to the necessary extent to ensure compliance with such statutory changes.

8. Licensee Performance Obligations

- 8.1 **License Terms Notification.** The Licensee shall secure that the Participating Institutions will use reasonable efforts to provide the Authorized Users with appropriate notice of the terms and conditions under which access to the Licensed Materials is granted under this Agreement.
- 8.2 **Protection from Unauthorized Use.** The Licensee shall secure that the Participating Institutions will use reasonable efforts to restrict access to the Licensed Materials to the Authorized Users in the case of their unauthorized use of the Licensed Materials.
- 8.3 **Maintaining Confidentiality of Access Passwords.** Where access to the Licensed Materials is to be controlled by the use of passwords, the Licensee shall secure that the Participating Institutions will use reasonable efforts to inform the Authorized Users that they should not divulge their numbers and passwords to any third party. The Licensee shall secure that the Participating Institutions will also use reasonable efforts to maintain the confidentiality of any institutional passwords provided by the Distributor or the Publisher.
- 8.4 The Licensee shall use all reasonable efforts to ensure that the Participating Institutions will comply with the terms of this Agreement and will use the Licensed Materials in accordance with the license terms set out in this Agreement and will observe proper fulfilment of the requirements set out in this Agreement. The Licensee shall use all reasonable efforts to ensure that the Participating Institutions will ensure that the Authorized Users only use the Licensed Materials in accordance with the license terms set out in this Agreement.

9. Term

- 9.1 This Agreement shall become valid on the date of its execution by both of the Parties. This Agreement shall take effect on the date of its publication in the Czech Register of Contracts (in which case the Licensee will notify the Distributor without delay) or on the date specified as the beginning of this Agreement Term in Appendix A (whichever occurs later) ("**Effective Date**").
- 9.2 This Agreement shall be in effect from the Effective Date through the expiration date as set out in Appendix A unless terminated earlier in accordance with Section 11 of this Agreement.
- 9.3 By a Subscription Period shall be for the purpose of this Agreement understood a calendar year (1 January – 31 December), unless specified differently in Appendix A.

10. Renewal

11. Early Termination

- 11.1 **Early Termination for Financial Hardship.** The Licensee may terminate this Agreement, even partially with respect to particular Participating Institution or Participating Institutions, without penalty as of 31 December 2027 and subsequently every potential 31 December of the following Subscription Period if (i) sufficient content acquisitions funds are not allocated, or (ii) content acquisition funds are withdrawn or reduced, or (iii) the relevant Participating Institution does not have sufficient funds to participate, to enable the Licensee and/or Participating Institutions, in the exercise of its reasonable administrative discretion, to continue this Agreement. In the event of such financial circumstances, the Licensee will notify the Distributor of the intent to terminate this Agreement or partially terminate this Agreement at least thirty (30) days before the end of the respective Subscription Period. This Agreement shall terminate in the selected extent on the last day of the respective Subscription Period without penalty of expense to the Licensee of any kind whatsoever, except as to the portions of payments herein agreed for which funds shall have been appropriated and budgeted or otherwise available. In the event tariffs are introduced prior to the commencement of a new Subscription Period, the Licensee shall have the right to terminate this Agreement, even partially with respect to particular Participating Institution or Participating Institutions. Such termination must be notified no later than 30 days before the start of the new Subscription Period. The Agreement shall then terminate on the last day of the Subscription Period in which the notice of termination was given. Such termination is without penalty of expense to the Licensee of any kind whatsoever except as to the portions

of payments herein agreed for which funds shall have been appropriated and budgeted or otherwise available for the respective Subscription Period, upon the expiry of which this Agreement shall terminate. In the event of such termination of this Agreement, the Licensee and Participating Institutions shall maintain their perpetual right to the Licensed Materials under fully paid Subscription Periods, subject to Section 12 of this Agreement.

- 11.2 **Termination for a Material Breach.** Each Party shall notify the breaching Party of a material breach of this Agreement in writing with a detailed description of the breach. The breaching Party shall have thirty (30) days from the receipt of such notice to use all reasonable means to cure this alleged material breach and to notify the non-breaching Party in writing that a cure has been effected. If the material breach is not cured within the thirty (30)-day period, the non-breaching Party shall have the right to terminate this Agreement with a written notice, however, if such material breach would concern or relate merely a certain Participating Institution or Participating Institutions, the Distributor has the right to terminate this Agreement only partially with respect to this or these Participating Institutions. Termination of this Agreement is effective immediately by the date of delivery of such a notice. The obligation of the Parties to also remedy any other breach shall not be affected by this provision.
- 11.3 **Termination of Access.** Upon termination of this Agreement, the Distributor or the Publisher may terminate access to the Licensed Materials by the Licensee, the Participating Institutions and the Authorized Users (in case of a partial termination of this Agreement only with respect to the particular Participating Institution and their Authorized Users), subject to Section 12 of this Agreement. In addition, authorized copies of the Licensed Materials made by the Authorized Users may be retained for educational purposes and used subject to the terms of this Agreement even after the termination of this Agreement.

In case the Parties do not agree on and adequate compensation within 30 days of early termination, Licensee shall be entitled to a refund of any Fee or pro-rata portion thereof paid by the Licensee for any remaining period of this Agreement calculated from the date of termination.
- 11.5 **Termination for closure/merger of Participating Institution.** In the event that any Participating Institution undergoes a merger, dissolution, division, spin-off or other corporate transformation during the term of this Agreement, the Licensee shall be entitled to terminate the Agreement for such Participating Institution by delivering a written notice of termination to the Distributor. The termination of this Agreement for such Participating Institution shall become effective at the end of the current Subscription Period in which the notification on termination has been delivered to the Distributor (i.e. by on the last day of the respective Calendar Year). The Licensee is obligated to promptly notify the Distributor of such an event. In the event the Licensee has already entirely paid the Fee in the respective Subscription Period, no refund shall

be due from the Distributor. In the event the Fee has not yet been entirely paid by the Licensee in the respective Subscription Period, a revised Fee will be re-negotiated in good faith between the Parties for the current Subscription Period reflecting the no existence of the Participating Institution and potential change in the number of the Authorized Users as a result of such merger, dissolution, division, spin-off or other corporate transformation.

- 11.6 **Termination in the event of dissolution of a Participating Institution without a legal successor.** In the event that any Participating Institution is dissolved without a legal successor during the term of this Agreement, this Agreement shall automatically terminate with respect to that Participating Institution on the date of such dissolution. The Licensee shall notify the Distributor of this fact of dissolution of the Participating Institution. In the event the Licensee has already entirely paid the Fee in the respective Subscription Period, no refund shall be due from the Distributor. In the event the Fee has not yet been paid entirely by the Licensee in the respective Subscription Period, the Fee shall be automatically reduced by the pro rata amount corresponding to the dissolved Participating Institution and for the extent of the Subscription Period which has been served, and the Licensee shall be obliged to pay only the reduced amount.

12. Perpetual Rights

- 12.1 **Perpetual License.** Notwithstanding anything else in this Agreement, the Distributor grants or shall ensure that the Publisher will grant to the Licensee and the Participating Institutions a non-exclusive, royalty-free, system-wide perpetual license, or if perpetual is not objectively possible under the applicable law then to the maximum extent permissible under applicable law, limited to the territory of the Czech Republic to use any Licensed Materials that were subscribed to or for which a perpetual license fee has been paid during the term of this Agreement. Such use shall be in accordance with the provisions of this Agreement, all of which shall survive any termination of this Agreement. If the Publisher's means of access is not available, the Licensee and/or the Participating Institutions may provide substantially equivalent access to the Licensed Materials or by engaging the services of third-party trusted archives (such as Portico) and/or participating in collaborative archiving endeavors to exercise such perpetual rights.

Note: This paragraph applies only to the Licensed Materials which are perpetual, so it is obligatory only for e-journals and e-books with permanent license – in contrast to factual, citation or similar databases and e-resources.

- 12.2 **Archival Copy.** Intentionally omitted.

- 12.3 Intentionally omitted.

- 12.4 **Third-Party Archiving Services.** Intentionally omitted.

- 12.5 Intentionally omitted.

13. Warranties

- 13.1 The Distributor represents and warrants that it has, together with the Publisher, all necessary legal and equitable rights, permissions, and clearances to license the Licensed Materials to the Licensee that could further authorize the Participating Institutions and their Authorized Users to use the Licensed Materials for the purposes and terms set out in this Agreement, and that the use of the Licensed Materials in accordance with the terms of this Agreement shall not infringe the copyright or other rights of any third party. The Distributor represents and warrants that it is authorized together with the Publisher to fulfill any and all of its obligations set out in this Agreement and that its contractual or other relationship with the Publisher allows it to fulfill these obligations.

This shall also apply in case of any other obligatory statutory changes.

14. Limitations on Warranties

- 14.1 Notwithstanding anything else in this Agreement, neither Party shall be liable for any indirect, special, incidental, punitive or consequential damages, including but not limited to loss of data, business interruption, or loss of profits, that arises from the use of the Licensed Materials, or the incompetence of the Authorized Users to properly use the Licensed Materials.
- 14.2 The Distributor makes no representation or warranty, and expressly disclaims any liability with respect to the content of any of the Licensed Materials, including but not limited to errors or omissions contained therein, libel, infringement of rights of publicity, privacy, trademark rights, moral rights, or the disclosure of confidential information.

15.1 The Distributor shall indemnify and hold harmless the Licensee, the Participating Institutions and Authorized Users from and against any and all liabilities, losses, claims, damages, awards, penalties, or injuries incurred, including reasonable attorney's fees, that arise from actual or alleged infringement of any third-party intellectual property rights regarding the use of the Licensed Materials by the Licensee or any Participating Institution or any Authorized User for which aggregate liability shall be limited to £3 million. This Section shall survive the termination of this Agreement.

16. Data Protection

16.1 For the purpose of this Agreement, **Data Protection Law** shall mean the General Data Protection Regulation (EU) 2016/679 (the "Regulation") and the European Privacy and Electronic Communications Directive (Directive 2002/58/EC), as amended or replaced from time to time, and the terms "personal data", "processing", "processor", "controller", "personal data breach", "data subject" and "supervisory authority" shall all have the meanings ascribed to them under the applicable Data Protection Law.

16.2 Without any prejudice to Section 4.2(c) of this Agreement, if any personal data is processed under this Agreement by either Party or by the Publisher, the Parties agree that each Party, including the Publisher, shall act as a data controller for the purposes of Data Protection Law, unless such arrangement would be contrary to the Data Protection Law. Each Party, including the Publisher, shall (i) only process personal data in compliance with, and shall not cause itself or the other Party or the Publisher to be in breach of Data Protection Law and (ii) act reasonably in providing such information and assistance as the other Party may reasonably request to enable it to comply with its obligations under Data Protection Law.

16.3 Each Party will notify the other Party or the Publisher without undue delay if it becomes aware of a personal data breach relating to the processing of personal data in connection with this Agreement and shall act reasonably in co-operating with the other Party in respect of any communications or notifications to be issued to any data subjects and/or supervisory authorities in respect of the personal data breach.

16.4 If either Party receives any communication from any supervisory authority relating to the processing or personal data in connection with this Agreement, it shall (i) provide the other Party with reasonable details of such communication, and (ii) act

reasonably in co-operating with the other Party in respect of any response to the same.

17. Assignment and Transfer

17.1 Neither Party may assign, transfer or novate, directly or indirectly, any or all of its rights or obligations under this Agreement without the prior written consent of the other Party, except as otherwise stipulated herein. Neither Party may unreasonably withhold or delay such written consent.

18. Governing Law

18.1 This Agreement and all matters arising from or in connection hereto shall be interpreted and construed according to, and governed by, the laws of the Czech Republic, in particular by Act No. 89/2012 Coll., the Civil Code, as amended.

19. Dispute Resolution & Venue

19.1 In the event of any dispute or controversy arising out of or relating to this Agreement, the Parties agree to exercise good faith to resolve the dispute amicably and as soon as possible. In the event that the Parties fail to settle the dispute amicably within thirty (30) days, they shall submit the dispute to informal mediation, as further described below in this paragraph. The Parties shall continue to perform their respective obligations under this Agreement, unless such performance would be objectively hindered due to the existing dispute. The Party invoking mediation shall inform the other Party with a written notice of its decision to seek informal mediation, and the notice must include a description of the subject to the dispute and a proposed resolution thereof. Designated representatives of both Parties shall attempt to resolve the dispute within five (5) working days starting from the day after the delivery of such notice to the other Party. If the designated representatives cannot resolve the dispute, the Parties shall meet at a mutually agreed location and discuss the dispute and their respective proposals for resolution while being represented by their responsible executives, who shall act in good faith to resolve the dispute.

19.2 If the dispute is not resolved within thirty (30) days of the meeting among the Parties' executives, either Party may pursue legal action in court. The exclusive jurisdiction and venue for any and all actions arising out of or brought under this Agreement is in a state court of competent jurisdiction, situated in Prague, Czech Republic. During such court action, the Parties shall continue to perform their respective obligations under this Agreement unless such performance would be objectively hindered due to the existing dispute.

20. Force Majeure

20.1 Neither Party shall be liable for any damage or have the right to terminate this Agreement for any delay or default in performing its duties hereunder if such delay or default is caused by conditions beyond its control including but not limited to acts of God, government restrictions (including the denial or cancellation of any export or other necessary license), wars, acts of terrorism, insurrections, labor strikes or other work stoppages, and/or any other cause beyond the reasonable control of the Party whose performance is affected. Upon the occurrence of such event of force majeure, the Party affected shall promptly notify the other Party in writing setting forth the details of the occurrence of the force majeure event, its expected duration and how that Party's performance may be affected. The affected Party shall resume the performance of its duties as soon as practicable after the force majeure event ceases.

21. Entire Agreement

21.1 This Agreement constitutes the entire agreement of the Parties and supersedes any and all prior communications, understandings, and agreements relating to the subject matter hereof, whether oral or written. For the avoidance of doubt, additional terms and conditions as defined in Section 7.6 of this Agreement shall not modify the terms of this Agreement.

22. Amendment

22.1 No modification or claimed waiver of any provision of this Agreement shall be valid except by written amendment signed by authorized representatives of the Parties.

22.2 The Licensee, in compliance with Section 100(1) of Act no. 134/2016 Sb. on public procurement, as amended, reserves the right to change the commitment under this Agreement, which entails a change in the number of licenses, i.e. an increase in the number of licenses, for the purpose of accommodating additional Potential Participating Institutions as the authorizing contracting authorities with whom the Licensee has entered into a central procurement agreement and a list of which is attached as Appendix B. This reservation will be effected, as the case may be, by means of an amendment to this Agreement based on the interest of Potential Participating Institutions mentioned in the preceding sentence to receive performance under this Agreement. The Parties may include the price for the licenses for these Potential Participating Institutions in the Appendix B.

23. Severability

23.1 If any provision or provisions of this Agreement shall be held to be invalid, illegal, unenforceable or in conflict with the law, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby. The

Parties shall replace the invalid, illegal or unenforceable provision with a new provision to achieve the same or, if not possible, the closest possible effect to that of the original invalid, illegal or unenforceable provision and this Agreement as a whole.

24. Waiver of Contractual Right

24.1 Waiver of any right, power or remedy herein shall not be deemed a waiver of any other right, power or remedy herein, nor shall waiver of any right, power or remedy regarding a breach of this Agreement be construed as a continuing waiver of any right, power or remedy regarding other breaches of the same or other provisions of this Agreement.

25. Notices

25.1 All notifications, invitations, information, legal acts and other communications ("**Notices**") made in the matters of and under this Agreement must be made in writing, the written form being retained if Notices are delivered by e-mail.

25.2 Notices regarding the damages, penalties, debts, contacts and this Agreement as such (for example, the notification about breach or termination) must be delivered in person, by registered post or courier service. Appendix E: OA Open Access publishing terms

The Distributor shall ensure, guarantee and is liable that all Publisher's obligations outlined in this Appendix shall be fulfilled.

Definitions

Eligible Author: means corresponding authors whose primary affiliation is with a Participating Institution as stated in the Eligible Content.

Eligible Content: means content that is accepted for publication by the Publisher in accordance with the applicable acceptance criteria (including editorial and peer review standards).

Journal Fees: means the part of the Fees attributable to journal subscriptions.

Voucher: means a voucher representing prepaid article processing charges where one voucher redeems one item of Eligible Content.

1. The Publisher and Licensee have agreed the following in relation to open access publishing for the collective benefit of the Participating Institutions.
2. In consideration of the Fee(s), the Publisher will issue 10 Vouchers for 2026, 10 vouchers for 2027 and 10 vouchers for 2028, for redemption by Eligible Authors.
3. The obligation for the Publisher to issue the number of Vouchers stated in any year is conditional on the Journal Fees payable by the Licensee collectively for any year being equal to or more than the Journal Fees set out in the Appendix A: Business Terms.
4. The Vouchers expire after the period(s) stated and cannot be used in subsequent periods.
5. Eligible Authors may redeem Vouchers in any Publisher subscription journal supporting open access (excluding Gold open access) options on www.emerald.com/insight that the Licensee has subscribed to in the period in which the Vouchers remain redeemable pursuant to the terms of this Agreement. The Publisher shall inform Eligible Authors about the availability of Vouchers following article acceptance and will allocate to Eligible Content on a first come first served basis.
6. A condition of redemption is that the Eligible Authors must agree that, and grant all necessary rights to enable, the Eligible Content to be published on a Creative Commons Attribution 4.0 International (CC BY 4.0) licence (or other open access licence agreed between the Eligible Author and the Publisher). Authors may deposit Eligible Content published under these licences on any webpage, subject to full attribution and with zero embargo.

7. The Publisher will identify Eligible Authors following acceptance of Eligible Content for publication using industry standard methods of identifying affiliation, including Ringgold ID. The Parties acknowledge and agree that nothing in this Agreement, in particular but not limited to the definition or identification of an Eligible Author, affects how the affiliation of the author or Eligible Author is stated in the published article, which will be determined by the Publisher's policy from time to time.
8. If the Publisher allocates a Voucher to Eligible Content that was not authored by an Eligible Author, it will add a Voucher to the remaining balance following notification from the Licensee. For the avoidance of doubt, the Eligible Content will remain published on the open access licence that was applied at publication.
9. If the Publisher fails to identify an Eligible Author (the author having provided affiliation information) and Eligible Content is published without the use of a Voucher and the Eligible Author requests rectification, the Publisher will allocate a Voucher to the Eligible Content and publish it under a Creative Commons Attribution 4.0 International (CC BY 4.0) licence. This applies only to Eligible Content first Published under subscription. Publisher will therefore have no obligation to refund any article processing charges.
10. The Parties agree that Vouchers shall be applied retrospectively and therefore the Eligible Content of an Eligible Author that was published prior to the date that this Agreement was entered into but within a period that Vouchers are available under this Agreement, will be allocated a Voucher and published on Creative Commons Attribution 4.0 International (CC BY 4.0) licence subject to the Eligible Author's approval. The Publisher will have no obligation to refund any article processing charges already received prior to the date this Agreement was entered into.
11. The Publisher will, subject to the Licensee requesting access to such information as detailed below, make available to the Licensee information about Eligible Content from Eligible Authors for the entire duration of this Agreement. The information shall include (if applicable):
