WHEREAS

On 2 January 2023, Elsevier and the Lead Institution entered into an Elsevier Subscription Agreement (the “Agreement”) which defines the conditions of cooperation and the rights and duties of the Parties in providing the Subscribed Products Scopus, as set out in Schedule 1 of the Agreement. The Agreement was published in the Register of Contracts on 3 January 2023 under contract ID 21377849 and subsequently amended by Amendment No. 1 concluded on 25 September 2024, and Amendment No. 2 concluded on 24 November 2025.

The Parties intend to update the Agreement as specified below due to:

- the inclusion of all 54 institutes of the Czech Academy of Sciences (CAS) as Institutions under the Agreement, replacing their previous designation as a single parent CAS account.
- the addition of the Ministry of Industry and Trade of the Czech Republic (Ministerstvo průmyslu a obchodu České republiky) as an Institution under the Agreement. Following Administrative Regulation No. 2/2026 of the State Secretary, the Research, Development and Innovation department at the Office of the Government of the Czech Republic was abolished and the relevant research-evaluation functions were transferred to the Ministry of Industry and Trade with effect from 1 March 2026.
- Accordingly, Schedule 1 (Potential Participating Institutions) shall be amended to remove the 39 CAS institutes identified below, and Schedule 2

(Sites/Authentication/Contacts) shall be amended to (i) include each of those 39 CAS institutes as an Institution, (ii) add a further 15 CAS institutes as Institutions under the Agreement and (iii) add the Ministry of Industry and Trade of the Czech Republic (ECR-10062351) as an Institution under the Agreement.

These changes do not alter the total fees set out in the Agreement.

Both Parties expressly and irrevocably agree as set out below.

NOW, THEREFORE, in accordance with the Agreement, the Parties hereby agree as follows:
